**Natural Infrastructure and Growth Scrutiny Panel – Action Log 2025/26**

<p>Minute 34</p> <p>Draft NZAP 2025-2028</p> <p>12 February 2025</p>	<p>The Panel recommended developing a Climate Communications Plan to include making information more accessible via the Plymouth City Council Website.</p>	<p><b>Due Date:</b> May 2025</p> <p>Responsible Officer: Christopher Parsons</p> <p>Progress: This recommendation is currently under active consideration by the Net Zero Delivery Team and the Corporate Communications Team. Update August 2025: Teams from Net Zero and Corporate Communication continue to work together closely on planning and executing communications around a number of important NZAP actions. Conversations on producing not just a plan, but also an overarching strategic narrative to determine how we talk about, include and engage our residents on net zero have been fruitful and the drafting is ongoing. Alongside this, and to ensure we get this right, we are engaging partners to ensure that any potential messaging resonates and can be effectively rolled out. Meanwhile, Climate Connections continues to be a busy online hub for Plymouth's climate endeavours and has been prolific in terms of raising awareness of and promoting pro-climate messaging from the Council and its partners.</p>
<p>Minute 34</p> <p>Draft NZAP 2025-2028</p> <p>12 February 2025</p>	<p>The Panel recommended that the Cabinet Member for Environment and Climate Change seek to secure ratchet funding in future years and to ask Finance to review any future caps to ensure the money was set aside and could be added to.</p>	<p><b>Due Date:</b> March 2026</p> <p>Responsible Officer: Paul Barnard/Emmanuelle Marshall</p> <p>Progress: This recommendation is currently under active consideration by the Net Zero Delivery Team and the Finance Department. Following the consideration of options, the Cabinet Member for Environment and Climate Change and Cabinet Member for Finance will review the position ahead of the 2026/2027 budget setting process.</p>
