<b>Lead Officer:</b> Head of Service, Service Director, or Strategic Director.	Philip Heseltine	<b>Signature:</b>		<b>Approval date:</b>	02/04/2025
<b>Overview:</b>	<p>The St Levan Park Flood Relief Scheme (the Scheme) is a flood risk management project in the St Levan area, designed to provide storage for surface water during storm events, reduce flood risk and storm overflow spills, and create environmental enhancement.</p> <p>Once construction of the Scheme completes, it is anticipated that 113 properties will be better protected from surface water flooding during a 1 in 100 year storm event. The Scheme and further phases of work should avoid properties within the St Levan area becoming unviable and, therefore, abandoned, with the associated blight on the wider area's economic activity.</p> <p>The Scheme and combined works will also:</p> <ul style="list-style-type: none"> <li>• reduce the frequent disruption of the movement of traffic along St Levan Road between Devonport Dockyard and Milehouse, including one bus route</li> <li>• reduce the ongoing disruption to the education of 603 children attending College Road Primary School, Ford Primary School, and Morice Town Primary School</li> <li>• reduce the risk of Combined Sewer Overflow (CSO) spills, with associated bathing water quality improvement in the River Tamar</li> <li>• provide habitat improvement, including a biodiversity net gain of at least 10%</li> <li>• provide significant amenity improvements, including improved walking provision</li> <li>• provide additional capacity in the combined drainage and sewage network for new development</li> </ul>				

	As far as impact upon the climate is concerned, most of the outputs of the Scheme have been assessed as positive with long-term benefits. Where there is no or neutral impact, there is mitigation.
<b>Decision required:</b>	<b>It is recommended that the Leader:</b> <ol style="list-style-type: none"> <li>1. Approves the revised St Levan Park Flood Relief Scheme Capital Business Case</li> <li>2. Approves the allocation of an additional £95,000 within the Capital Programme for the St Levan Park Flood Relief Scheme</li> </ol>
