

# EXECUTIVE DECISION

made by a Cabinet Member

## REPORT OF ACTION TAKEN UNDER DELEGATED AUTHORITY BY AN INDIVIDUAL CABINET MEMBER

Executive Decision Reference Number – HASC02 25/26

Decision	
1	<b>Title of decision:</b> Sexual Health GP Locally Enhanced Services Contract 2026-2029
2	<b>Decision maker:</b> Cllr Mary Aspinall (Cabinet Member for Health and Adult Social Care)
3	<b>Report author and contact details:</b> Kamal Patel (kamal.patel@plymouth.gov.uk)
4	<p><b>Decision to be taken:</b></p> <ol style="list-style-type: none"> <li>1. To approve the award of Sexual Health GP Locally Enhanced Services Contract to General Practice providers in Plymouth from 1<sup>st</sup> April 2026 for two years, with an option to extend for a further one year;</li> <li>2. To delegate authority to approve the one year optional extension to the Director of Public Health, where they do not already have authority to do so.</li> </ol> <p>The proposed contract is to be awarded to individual GP Practices under the NHS Provider Selection Regime (PSR) – Direct Award Process B. We intend to run an Expression of Interest procurement process as part of our due-diligence approach. The expected maximum contract value over the three-year period is £532,230.</p>
5	<p><b>Reasons for decision:</b></p> <p>Plymouth City Council has a duty to provide or commission Sexual Health Services for the local population under the conditions of the Public Health ring-fenced grant. Sexual Health services are currently provided by a specialist provider (Your SHiP) and general practices, through a locally enhanced services (LES) contract.</p> <p>The current contracts for the Sexual Health Primary Care LES is due to expire on 31<sup>st</sup> March 2026.</p> <p>Commissioning primary care to deliver these services in addition to single specialist providers increases local access and provides choice to patients based on preferences. It also enables the specialist providers to focus on more complex cases, which are not suitable for general (and cheaper) primary care provision. This improves overall cost-effectiveness. £1 spent on long-acting reversible contraception (LARC) in primary care saves the whole system £48 over 10 years (PHE).</p> <p>Improving reproductive health is an important priority for public health. Contraception is key to improved health for women. It is a cost-effective intervention that is essential to family planning.</p> <p>Continuing to commission this service will maintain access to long-acting contraception from GP practices for women in Plymouth. In 2024/25 1,162 women received LARC in primary care for contraception.</p>
6	<p><b>Alternative options considered and rejected:</b></p> <ol style="list-style-type: none"> <li>1. Award to a different supplier: Rejected as no other external suppliers are available. The local primary care system is the only provider of GP services.</li> </ol>

	2. PCC to deliver the services: Rejected as in house expertise is not appropriate for clinical services. Clinical governance is not in place.			
<b>7</b>	<b>Financial implications and risks:</b> No proposed change in fees from existing budgets are proposed. This contract is a continuation of service and will be funded from revenue through the Public Health ring-fenced grant. Practices will be paid on a pay-by-activity basis with a quarterly returns and monitoring. Annual budget of £137,410 for LARC for contraceptive purposes, and £40,000 for LARC for non-contraceptive purposes. The provision of non-contraceptive LARC is an ICB function, and so the costs for non-contraceptive LARC will be recharged in full to the ICB. Under this contract GPs will be paid in a pay-by-activity basis for providing long-acting reversible contraception (LARC) in the form of intra-uterine devices and subdermal implants. Total budget over three year period: £532,230			
<b>8</b>	<b>Legal Implications:</b> Plymouth City Council has a duty under the Health and Social Care Act 2012 to provide or commission Sexual Health Services for the local population under the conditions of the Public Health ring-fenced grant.			
<b>9</b>	<b>Is the decision a Key Decision?</b> (please contact <a href="#">Democratic Support</a> for further advice) Please type an X into the relevant boxes	<b>Yes</b>	<b>No</b>	<b>Per the Constitution, a key decision is one which:</b> in the case of <b>capital</b> projects and contract awards, results in a new commitment to spend and/or save in excess of <b>£3million</b> in total in the case of <b>revenue</b> projects when the decision involves entering into new commitments and/or making new savings in excess of <b>£1million</b> annually is <b>significant</b> in terms of its effect on communities living or working in an area comprising <b>two or more</b> wards in the area of the local authority.
	<b>If yes, date of publication of the notice in the <a href="#">Forward Plan of Key Decisions</a></b>	N/A
