Question: How much does a Cabinet Champion cost the City tax payer? As a City tax payer I would like to know.

Answer:

Cabinet Champions do not receive any additional remuneration over and above their basic Councillor allowance.

The cost to the taxpayer of the Champion appointments is therefore £0.

I think you will agree this compares favourably with the remuneration received by the Leader of a minority group.

The full Members' Allowance Scheme is published on the Council's website and is available for public inspection.
