

HEALTH AND WELLBEING BOARD

Tracking Decisions Log 2025 – 26

Please note that the Tracking Decisions Log is a ‘live’ document and subject to change at short notice.

For enquiries relating to this committee’s work programme and tracking decisions, please contact Elliot Wearne-Gould, Democratic Support, on 01752 398261

Date	Resolution	Responsible	Progress
<p>15 January 2026</p> <p>Minute 66</p> <p>The Director of Public Health Annual Report: The Health and Wellbeing of Women in Plymouth</p>	<ol style="list-style-type: none"> 1. Action: The Director of Public Health would clarify the position on community builder arrangements for women and girls; 2. Action: The University of Plymouth would explore, through the Faculty of Health and the wider anchor collaboration, how the university and further education partners could support HPV vaccination uptake and broader women’s health messaging, including options for hosting clinics and joint communications; 3. Action: The Director of Public Health would seek further breakdown and context for harassment statistics used in the report and share clarifications with Board members (for example, domestic, external or workplace); 4. Action: The Director of Public Health, working with the Director of Children’s Services, would consider presenting the annual report and its key messages to a headteacher and senior leader conference, and explore how schools 	<p>Professor Steve Maddern (DOPH)</p> <p>Laura Alexander (University of Plymouth)</p> <p>Professor Steve Maddern (DOPH)</p> <p>Professor Steve Maddern (DOPH)</p>	<p>In Progress:</p> <ol style="list-style-type: none"> 1. We have a Women’s Economic Equality Community Builder on a 1-year FTC that we fund through NHS funding. She is employed by Action for Children and her focus is on Devonport and Stonehouse in particular, whilst also working with women across the city. The role has been going for 6 months and attached is a summary of the work to date. <div style="text-align: center;">  <p>Womens economic community builders l</p> </div> <ol style="list-style-type: none"> 2.
