

Background

Corporate planning within the Council has been improving incrementally for some time:

- We have been improving the quality of our business/service plans for several years
- Two years ago we introduced a set of Corporate Improvement Priorities (CIPs) to put focus into our Corporate Plan
- Last year we spent time agreeing the Medium Term Financial Plan setting out the next 3 years budgets
- This year we have spent time analysing external assessments and feedback* to derive our priorities

*Including CAA, Place Survey, Auditors report and staff survey
