

MOTION ON NOTICE

PLYMOUTH CITYBUS SHAREHOLDING

Plymouth City Council notes the willingness of Councillor Ian Bowyer to disclose Cabinet plans for money realised from the sale of the Plymouth Citybus shareholding in The Herald of 30 September 2009 and the comments of Mr John Preece in the Herald of 1 October 2009.

Recalling the Leader of Plymouth City Council's commitment to a full and open debate on the future of Plymouth Citybus, officers are instructed to issue immediately a full report giving the up to date status of the valuation and bidding process, including decisions on all bids received, the reasoning behind the decisions, as well as full details of the Cabinet's plans for any profit realised as outlined by Councillor Bowyer in the media.

We believe it to be grossly discourteous for developments to be highlighted via the media alone, and call on Councillor Bowyer to apologise to all concerned.
