

The Lord Mayor
Mayor's Parlour
Council House,
Royal Parade,
Plymouth PL1 2EW

25th June, 2009

Dear Lord Mayor,

Listening to Radio Devon last weekend has prompted me to write to you. Would you consider as a project during your year of office and to mark this year in your ward the following proposal.

As you may know Plympton St Maurice has within the village a Dissenters Cemetery, this has been made into a small Arboretum, as is now a place of beauty and tranquility - behind closed gates, but is open at various times in the year as at last weekend when many private gardens in Fore Street were open to visitors, all part of the Summer Fayre celebrations. This is in complete contrast to the Dissenters Cemetery in Howard Road, Plymstock.

My proposal is that you make possible for the Dissenters Cemetery in Howard Road - part of your ward to become a small

2.

Arboretum similar to Plympton St Maurice.
This would be a lasting record and memorial
to your Year as Lord Mayor of the City. It
would also show respect of by the City of
Plymouth to those resting in this Cemetery.

Yours sincerely
