Report

1. Mr Raymond Donald Roberts is a licensed Hackney Carriage driver, having been first licensed by Plymouth City Council on 03 December 2008. On the 30 November 2009, Mr Roberts attended the Civic Centre to renew his driver licence, which was due to expire on the 02 December, but was not able to produce any evidence of having achieved a pass in the driver VRQ (or equivalent) qualification which is a requirement for all new drivers on their first renewal of licence since the adoption of the Council Licensing policy in November 2008. The Licensing Technical Officer refused to renew the Hackney Carriage driver licence held by Mr Roberts in the absence of the required VRQ pass documentation.

The reason Mr Roberts gave for not obtaining the driver qualification, was that he was unaware that he had to obtain the qualification, and he had not received any of the communications sent out from the Licensing Section reminding those drivers affected of the need to obtain it prior to Licence renewal.

In the absence of a scheme of officer delegation, authority remains with the Licensing Committee (Hackney Carriage), to refuse to renew a driver licence.

Mr Roberts licence was therefore renewed on the 07 December 2009, for a period of 12 months only, and Mr Roberts was informed at that time that a report would be submitted to Members to consider that he had failed to comply with the Council Licensing policy. He was also advised that he should take steps to remedy the situation as soon as possible.

2. Section 19(1) (b) provides for the Council to suspend, revoke or refuse to renew the licence of a Hackney Carriage or Private Hire driver, who has since the grant of a licence -

for any other reasonable cause.

3. In deciding whether Mr Roberts is fit and proper, Members must have regard to the Council's Hackney Carriage and Private Hire licensing policy. The relevant parts of which are detailed below:

Chapter 2 - Conditions of Licence

Paragraph 12.3 states that when considering whether someone is fit and proper the authority will consider, amongst other things

- Relevant skills
- Knowledge
- Experience
- Qualifications
- Medical Fitness
- Criminal record
- Previous history as a licence holder

Paragraph 14.2 requires all new applicants for a licence to complete the Level 2 VRQ in "Transporting Passengers by Taxi and Private Hire" or equivalent within 12 months from the date of being first licensed.

Paragraph 14.4 makes it clear that it is the responsibility of the licence holder to notify the Council at the earliest opportunity, if they consider they will not be able to comply with the qualification requirement within the 12 month licence probationary period.

Paragraph 18.2 requires that in considering whether a person is fit and proper each case is considered on its own merits.

4. In addition to the powers laid out in the Plymouth City Council Act 1975, outlined in para 2. of this report, Members of the Licensing Committee (Hackney Carriage) shall have the discretion to direct a driver appearing before them to complete further training or retraining, should the drivers suitability to retain a licence be called into question.
5. Members are being asked to consider, given the above information, what, if any, sanction needs to be applied to the Hackney Carriage driver's licence held by Mr Roberts in light of the fact that he has not completed the VRQ driver qualification as required by the Councils Hackney Carriage and Private Hire Vehicle Licensing policy.
6. Mr Roberts has been invited to attend this Committee in order that this matter may be considered.
