# PLYMOUTH CITY COUNCIL FORWARD PLAN OF KEY DECISIONS

#### What is the Forward Plan?

Section 14 of the Access to Information Procedure Rules requires the Cabinet to prepare a Forward Plan to cover a period of four months. The Forward Plan should contain *key decisions* that the Cabinet believe are to be taken within this period. It describes who is the decision maker, the period in which the decision will be taken, those whom the decision taker proposes to consult, the steps any individual may take who wishes to make representations to the decision maker and a list of background papers considered by the decision taker in respect of the key decision.

#### What is a Key Decision?

#### A key decision is -

(a) Any decision in relation to an Executive function which results in the Council incurring expenditure which is, or the making of savings which are, significant having regard to the local authority's budget for the service or function to which the decision relates;

or

(b) Any decision that is likely to have a significant impact on two or more wards within the Council.

The threshold for significant expenditure / savings is  $\pounds 2$  million for the award of contracts and  $\pounds 500,000$  for all other matters.

The Cabinet cannot consider key decisions if they have not been included within the Forward Plan unless they fall within the two exceptions set out at paragraph 15 & 16 of the Access to Information Procedure Rules, namely:

# PARAGRAPH 15. GENERAL EXCEPTION

If a matter which is likely to be a key decision has not been included in the forward plan, then subject to Rule 16 (special urgency), the decision may still be taken if:

- (a) the decision must be taken by such a date that it is impracticable to defer the decision until it has been included in the next forward plan and until the start of the first month to which the next forward plan relates;
- (b) the monitoring officer has informed the Chair of a relevant Scrutiny Panel, or if there is no such person, each member of that panel in writing, by notice, of the matter to which the decision is to be made;
- (c) the Monitoring Officer has made copies of that notice available to the public at the offices of the Council; and
- (d) at least 5 working days have elapsed since the Monitoring Officer complied with (a) and (b).

Where such a decision is taken by a committee, it must be taken in public.

# PARAGRAPH 16. SPECIAL URGENCY

If by virtue of the date by which a decision must be taken Rule 15 (general exception) cannot be followed, then the decision can only be taken if the decision taker (if an individual) or the Chair of the body making the decision, obtains the agreement of the Chair of the Overview and Scrutiny Management Board that the taking of the decision cannot be reasonably deferred. If there is no Chair of the Overview and Scrutiny Management Board, in his/her absence the Vice Chair will suffice, or in both their absences, any other Member of the Board.

The Forward Plan does not need to refer to exempt information and confidential information cannot be included.

Process to be used:

Local authorities have a number of statutory duties in relation to the provision of Information, Advice and Guidance which are currently discharged within the contract with Careers South West (formally Connexions Cornwall and Devon)

As there is a general election planned for May or June next year it is proposed that this contract is extended to July 2011 in order to allow for a potential tender process which cannot take place during the period of Purda that the election with entail. Negotiation meetings have been set between the Peninsula Local Authorities and Careers South West to identify any changes to the contract that needed for 2010-2011 in the light of possible budgetary pressures and changes in National Legislation. As the Lead Commissioner for the Peninsula Commissioning Group, Plymouth have produced papers timetabling to preparation of a business case for future of a Peninsula –wide Information, Advice and Guidance Service for young people in 2011 and beyond. This has been agreed by the Peninsula Commissioning leads and a series of Peninsula meetings has been established to develop this.

In order to develop this business case a needs analysis will be developed, which will include feedback and input from young people, parents and other key stakeholders, including schools.

As the current provider is a Local Authority owned company the business case will include a rationale as to whether a Teckal Exemption could apply.

As a parallel process the Plymouth IYSS strategy group will be reviewing the IYSS Strategy in light of the needs analysis' that have been taken for the Children and Young People's plan. These developments will inform the Peninsula business case with the The Children's Trust Commissioning Team facilitating both developments, working in partnership with the Head of Integrated Youth Support.
