1.0 BACKGROUND

- 1.1 Since the introduction of the Licensing Act regime in 2005 applications have been received for the grant and variation of premises licences and club premises certificates. Some of these applications have received representations from responsible authorities or interested parties and have been mediated out by agreement with both the applicant and the respective responsible authority without the need to bring the applications before the committee for determination.

3.0 CONSIDERATIONS

- 3.1 Section (9.19) of the Guidance issued under section 182 of the Licensing Act 2003 and section 18(3)(a) of the act states that a hearing does not have to take place if there are representations but all parties can reach an agreement through a mediation process. When written agreement has been made representations are then withdrawn and the agreed conditions are included within their operating schedule. In such cases officers can determine the application.
- 3.2 The premises listed above are ones that have been dealt with by way of mediation and written agreement for the period between November 2009 and May 2010 and this report is submitted for the information of the committee.
