

## **ADDENDUM REPORT PLANNING COMMITTEE 1<sup>st</sup> July 2010**

Item: 7.8

Site: Tamarside Community College, Trevithick Road, St Budeaux, PL5 2AF

Ref: 10/00430

Applicant: Tamarside Community College

Agent: Currie & Brown Widnell

Following the expiry of the statutory publicity period, five additional letters of representation have been received. These letters object to the loss of this flat 'open space' which is used by members of the community and 'responsible dog owners'. It was noted that the school benefits from other playing fields which are under-utilised. In addition, one letter of representation refers to littering and anti-social behaviour which takes place in the field. Two letters of representation suggest that the provision of bins would resolve problems caused by littering and irresponsible dog owners.
