

PLYMOUTH CITY COUNCIL

2 AUGUST 2010

**MOTION ON NOTICE NO 6 10/11:
CONSULTATION PROGRAMME ON CHANGES TO SERVICE DELIVERY**

This Council notes that:-

This Council is going to face significant budget pressures following the Coalition Government's emergency budget in July and the Comprehensive Spending Review in October 2010.

That significant changes to the way in which we deliver services will need to be investigated in order to respond to budget pressures.

This Council resolves:

To consult with service users, local councillors and the community prior to any changes to service delivery being implemented.

That Officers bring forward a report to Scrutiny showing how the consultation programme will be implemented prior to Comprehensive Spending Review in October 2010.

Proposed by Councillor Williams

Seconded by Councillor Stevens
