## PLYMOUTH CITY COUNCIL FORWARD PLAN OF KEY DECISIONS

### What is the Forward Plan?

The Local Authorities (Executive Arrangements) (Access to Information) (England) Regulations 2000 require the Leader to prepare a Forward Plan to cover a period of four months. The Forward Plan contains **key decisions** that the Leader believes are to be taken within this period. It describes the nature of the decision, who is the decision maker, the period in which the decision will be taken, those whom the decision taker proposes to consult, the steps any individual may take who wishes to make representations to the decision maker and a list of background papers considered by the decision taker in respect of the key decision.

### What is a Key Decision?

A **key decision** is –

- (a) Any decision in relation to an Executive function which results in the Council incurring expenditure which is, or the making of savings which are, significant having regard to the local authority's budget for the service or function to which the decision relates;

or

- (b) Any decision that is likely to have a significant impact on two or more wards within the Council.

The threshold for significant expenditure / savings is £2 million for the award of contracts and £500,000 for all other matters.

The Cabinet cannot consider key decisions if they have not been included within the Forward Plan unless they fall within the two exceptions set out at paragraph 15 & 16 of the Regulations, namely:

#### REGULATION 15. GENERAL EXCEPTION

If a matter which is likely to be a key decision has not been included in the forward plan, then subject to Regulation 16 (special urgency), the decision may still be taken if:

- (a) the decision must be taken by such a date that it is impracticable to defer the decision until it has been included in the next forward plan and until the start of the first month to which the next forward plan relates;
- (b) the monitoring officer has informed the Chair of a relevant Scrutiny Panel, or if there is no such person, each member of that panel in writing, by notice, of the matter to which the decision is to be made;
- (c) the Monitoring Officer has made copies of that notice available to the public at the offices of the Council; and
- (d) at least 5 working days have elapsed since the Monitoring Officer complied with (a) and (b).

Where such a decision is taken by a committee, it must be taken in public.

## REGULATION 16. SPECIAL URGENCY

If by virtue of the date by which a decision must be taken Regulation 15 (general exception) cannot be followed, then the decision can only be taken if the decision taker (if an individual) or the Chair of the body making the decision, obtains the agreement of the Chair of the Overview and Scrutiny Management Board that the taking of the decision cannot be reasonably deferred. If there is no Chair of the Overview and Scrutiny Management Board, in his/her absence the Vice Chair will suffice, or in both their absences, any other Member of the Board.

The Forward Plan does not need to refer to exempt information and confidential information cannot be included.

### What is the Budget and Policy Framework?

This is a reference to the Council's policy framework and is made up of a series of Statutory Plans and Strategies listed as below:
