

PLYMOUTH CITY COUNCIL

31 JANUARY 2011

MOTION ON NOTICE No 16 (10/11)

POLICE NUMBERS

It has been suggested that the number of serving police officers in the Plymouth BCU is to fall to levels unseen since 1983 due to the cuts imposed by the Conservative-led government on the Devon and Cornwall Police Authority.

The Council believe that this will inhibit the police in maintaining their excellent record of reducing crime in our city, and should be opposed.
