

PLYMOUTH CITY COUNCIL

31 JANUARY 2011

MOTION ON NOTICE No 18 (10/11)

GRIT AND SALT

Council notes that during the recent cold snap most pavements and bus stops were left ungritted and/or unsalted.

Council also notes that many areas of the city have few salt or grit bins, and those that exist were not re-filled.

Council resolves to request the portfolio holder to change policy and procedure before the winter is over so that pavements are cleared as well as roads, and grit provided to constituents.

Proposed by Councillor Evans

Seconded by Councillor Vincent
