07/01/11 75 (1)	Recommendations are made to the Adult Social Care department to conduct a market review of long stay residential services for older people.	With regard to minute 34 (1) 01/09/10 concerning possible discrepancies between self funding clients and local authorities fees for residential care, self funding clients enter into a direct contract with residential home owners and there was no way of knowing what fees were charged. It was possible that because of the level of rates paid by Plymouth City Council that home owners were driven to charge higher rates to self funders, but there was no evidence available to support this. Residential home owners were awarded a significant increase in fees in 2008, at this time Adult Social Care were not made aware of any reductions or changes to fees for those who were self funding at the time.	Resolution forwarded to the Assistant Director for Adult Social Care.	Response circulated to panel via email.	
07/01/11 79c (3)	The plain English guide explaining proposed changes would be made available to the panel when completed.	This recommendation reflects the panel's discussion regarding the Proposed Plymouth Provider Services.	Recommendation forwarded to Steve Waite (Plymouth Provider Services)		As soon as available
