

## **ADDENDUM REPORT PLANNING COMMITTEE 25<sup>th</sup> AUGUST 2011**

**Item:** 6.5

**Site:** Eaton Business Park, 182 Plymbridge Road, Plymouth

**Ref:** 11/01061/FUL

**Applicant:** The Una Group

**Pages:** 47 - 55

Since completion of the Officer's report the applicant has submitted a noise assessment in relation to the wind turbines proposed. Unfortunately our Public Protection Department have been unable to examine this document in full and therefore it is requested that delegated authority be given for the Assistant Director of Development & Regeneration to determine the application subject to any concerns regarding noise pollution from the wind turbines being overcome.

The complete recommendation would therefore read;

'Delegated authority for the Assistant Director of Development & Regeneration to determine the application, once the public consultation period has ended, subject to no letters of representation raising objections being received and subject to concerns regarding noise pollution from the wind turbines being overcome.'
