Dear Mr Sir/Madam

**Re: Application to Vary a Premises Licence for The Clipper Inn, 65 Union Street, Plymouth. PL1 3LU**

On the 20<sup>th</sup> December 2012 the Devon and Cornwall Constabulary received an application to Vary a Premises Licence held by Plymouth Millbay Ltd for the above named premises under Section 34 Licensing Act 2003.

This application was deemed to be live by Plymouth City Council Licensing Department from the 27<sup>th</sup> December 2012.

The application seeks to vary conditions on the Premises Licence which were imposed by the Plymouth City Council Licensing Sub-committee following an application by the Chief Officer of Police to review the Premises Licence in April 2012.

The Police object to this application to vary the conditions on the grounds of the Licensing objective for the 'prevention of crime and disorder',

The application is for a reduction in the number of door supervisors on certain days of the week and where they are positioned.

The Police are of the opinion that any change to the present conditions will lead to an unnecessary negative impact on the licensing objective and an increase in violent crime and disorder.

Yours sincerely

Mr F T Prout  
Licensing Officer

**To Whom it May Concern**

I am writing as a resident of Union Street to give my opinion on the licence variation for the Clipper Inn. As a resident I do not have an issue with the Clipper being open. I have not experienced any serious problems and if there has been any issues I find the bar staff very approachable and can go to them direct.

I also work nights in North Hill and use the pub after work for winding down. I go for a pint, a read of the paper and general chat. The pub is never packed during the week which makes relaxing atmosphere.

I hope this helps in your decision.

Regards

CLIPPER INN, 65 UNION STREET, PLYMOUTH, PL1 3LU  
LICENCE VARIATION

I am writing with regards to the above.

In my position of bar supervisor I wholly support the Clipper's request to go from two licensed SIA doorman down to one for the Monday to Friday. I don't feel that the business has enough customers through the weekdays to justify the need of an extra doorman. We have a practice of starting to wean customers out from around the 6am mark. This cuts down noise issues and also cuts probability of public disorders as there is one or two people leaving at staggered intervals rather than a larger number of people leaving in one small crowd. Again, with such a small number we do not see the need for two doorman as one is more than capable in handling these situations.

I would also like to say that I have personally found that in the evening, once I have signed on to CCTV via pubwatch radio that the street camera situated on the Octagon roundabout turns to our door and remains pointed at our door for the duration of the evening. Other commercial premises in this specific area have also discussed this with me personally, stating that they have had massive problems if they have trouble at their businesses as when they call for police assistance, they find that the camera is continuously pointing in the opposite direction and they feel that if it does turn, it is too late to catch the problems/people at their premises. In my opinion I would say that this is a misuse of a public service. I question whether the clipper is under directed surveillance and/or this is infringing on the public's right regarding data protection.

I hope this letter will provide useful information for the licensing authority to use in making its decision. Please acknowledge receipt of this letter and I look forward to hearing from you in due course.

Yours faithfully

Licence Variation - Clipper Inn  
65 Union Street

As bar supervisor, I work most nights and in my opinion during the week there is no need for a second SIA licensed doorman. Most weekdays we are lucky to have between 10 and 15 people in at one time.

I personally feel that for the size of the premises and the number of customers that one SIA licensed doorman is sufficient.

I question the pro-active role the police

play in the evening and night-time economy as it could be interpreted the Clipper is policing the street rather than the premises

I hope the committee will use this in making its decision on variation requested. I would appreciate an acknowledgment of receipt of this letter.

Regards,

Dear Sirs

RE Clipper application for a variation of the premises licence

As a regular Patron at the Clipper Inn I support the above application. I always feel the premises are a safe and friendly environment to be in.

And the staff always welcoming whatever the time of day/night.

I believe as the Clipper is the only establishment in Plymouth to hold such a licence to remove or make any drastic changes to this would be a step backwards in trying to promote Plymouth as a more metropolitan city and moving with the times.

Yours Sincerely
