Please outline the reasons as to why you believe a review needs to take place?

The current model has been in place for over 2 years and there is evidence that many are poorly attended and often bring up the same issues time and time again. There has also been a historical difficulty in recruiting and retaining neighbourhood liaison officers.

Elected members, Plymouth City Council officers, our partners and the general public.

When do you think the review should commence and why?

September 2013. This is in line with the development of a corporate Civil Society Policy that is due to go to cabinet in early November 2013.

How long do you think the review might take?

2 weeks

When do you think the review should be completed by and why?

October 2013 to inform the corporate Civil Society policy.
