1.0 INTRODUCTION

- 1.1 On the 23rd October 2013, the licensing department received an application from Paul Wilson Drinkwater for the renewal and variation of existing conditions of a sexual entertainment venue licence under Schedule 3 of the Local Government (Miscellaneous Provisions) Act 1982 (the Act), as amended by the Policing and Crime Act 2009 in respect of the premises known as Angels Gentleman's Club situated at 38-40 Union Street, Plymouth.
- 1.2 The Policing and Crime Act 2009 amended the 1982 Act in so far as it related to the licensing of sex establishments by adding the new category of 'sexual entertainment venue'.
- 1.3 A Sexual Entertainment Venue means any premises at which relevant entertainment is provided before a live audience for the financial gain of the organiser or entertainer. Relevant entertainment means any live performance or any live display of nudity which is of such nature that ignoring financial gain it must reasonably be assumed to be provided solely or principally for the purpose of sexually stimulating any member of the audience (whether by verbal or other means).
- 1.4 Home Office Guidance (2010) lists relevant entertainment as considered to be;
1. lap dancing
 2. pole dancing
 3. table dancing
 4. strip shows
 5. peep shows
 6. live sex shows
- 1.5 Full Council resolved to adopt Schedule 3 of the Act on the 30 January 2012, to be effective from the 5 March 2012. The Council also resolved to adopt a Sex Establishment Licensing Policy (the Policy) which provides the framework within which all applications and other decision-making will be considered.

2.0 THE APPLICATION

- 2.1 The application is to renew the Sexual Entertainment Venue Licence granted on the 13th November 2012, to vary the times of opening and to vary condition 4.12. from that licence.
- 2.2 The application was advertised in the Herald on 14 November 2013 as required by the Act, but was more than seven days after the application was submitted as required in Appendix 2 of the Sex Establishment Licensing Policy. The period for representations was amended to commence on this date.
- 2.3 The hours applied for are subject to the variation application

Existing hours

|-----------------------|---------------------|
| Monday and Tuesday | - 9.00pm to 11.00pm |
| Wednesday to Saturday | - 9.00pm to 04.00am |
| Sunday | - 9.00pm - 11.00pm |

Varied hours requested

Monday to Saturday – 9.00pm to 04.00am

Sunday - 9.00pm to 11.00pm

- 2.4 The application is also to vary licence condition 4.12 to remove ‘*will remain a distance of 1 metre from the audience at all times*’ and replace with:

“ a strict no touching rule will apply and the manager will ensure that this rule is strictly observed.”

- 2.5 The following documents which formed part of the application are attached to this report as they are considered relevant to this application. (Appendix A)

Entertainers Welfare Procedures – Policy Statement

- 2.6 The existing conditions of licence are attached to this report. (Appendix B)

- 2.6 The premises is located in Union St an area governed by a quantity limit statement as defined in the policy which is a factor that should be considered when determining this application. The Policy states:

‘The Act allows the Council to determine a number of sex establishments in a specific locality. This can include determining that the appropriate number is **nil**. The Council considers that there is an over-riding public interest to justify quantity limits for the areas known as Union St and the City Centre to avoid an excessive build up of sex establishments, thereby undermining the character and nature of the designated areas.

Whilst applications will be determined based on their individual merits there will be a presumption against granting additional licenses in areas where the number considered appropriate for that locality have already been granted.

The Council will not take account of commercial need. This is a matter for market forces and may be a relevant consideration for planning applications. The existence or absence of suitable planning approval is not a relevant consideration for the Council, but is a matter for the applicant.

For each of the following areas the number of sex establishments considered as appropriate is;

| Location | No of Sex Shops/Cinemas | No of Sexual Entertainment Venues |
|--------------|-------------------------|-----------------------------------|
| Union Street | 1 | 2 |
| City Centre | 1 | Nil |

For all other localities the appropriate number will be **nil**.

Two Sexual Entertainment Licence applications were granted in 2012 in accordance with the transitional provisions, one of which has been renewed this year as no objections were received for that application.

- 2.7 Mr Drinkwater holds a premises licence under the provisions of the Licensing Act 2003 for these premises which allows the sale of alcohol and regulated entertainment. The application under consideration is separate to these provisions.
- 2.8 When determining a licence application, the local authority must have regard to any rights the applicant may have under Article 10 (right to freedom of expression) and Article 1, Protocol 1 (protection of property) of the European Convention of Human Rights.

Existing businesses have limited rights to continue trading even though it may not completely accord with the new policy aspirations and expectations.

Members should be aware that these premises are not an existing business that pre-dates the adoption of Schedule 3 of the Act.

3.0 REPRESENTATIONS

- 3.1 Devon and Cornwall Police have made representations and objected to the change to condition 4.12. (Appendix C)
- 3.2 Devon and Cornwall Police have made further representations and objected to the renewal/grant of the licence. (Appendix D)
- 3.2 Representations have also been made by the Ward Councillor objecting to the variation. (Appendix E)

4.0 CONSIDERATIONS

- 4.1 The Committee must have regard to the Council's Sex Establishments Licensing Policy in its decision-making. In particular the following licensing objectives will be taken into account when determining an application and any conditions attached will be necessary and designed to achieve these licensing objectives
 - Prevention of crime and disorder
 - Protection of safety, health and public decency
 - Prevention of nuisance
 - Protection from children from harm
 - Protecting the nature, amenity and character of a neighbourhood
- 4.2 Members should be aware that Licensing Committee resolved to adopt a pool of licensing conditions that provides applicants, responsible authorities and Members with a resource from which conditions can be attached to a licence granted under Schedule 3 of the Local Government (Miscellaneous Provisions) Act 1982. This pool of conditions is not exhaustive and may be altered,

amended or varied depending on the individual circumstances of each particular application.

- 4.3 Based on the information supplied by the applicant and the Police and the guidance set out in the Council's Policy, officers have prepared a draft set of licensing conditions for consideration, marked Appendix D. Care should be given that where conditions are attached they should be necessary and designed to achieve the stated licensing objectives.
- 4.4 Members should be aware that the policy states that employees receive training approved by Plymouth Safeguarding Children's Board on the identification of potential exploitation of trafficking of children and vulnerable adults. For this reason specific conditions have been included.
- 4.5 Paragraph 12 of Schedule 3 of the Act sets out the grounds for refusing an application for the grant, renewal or transfer of a licence.

Mandatory grounds for refusal:

A licence **must** not be granted:

- (a) to a person under the age of 18;
- (b) to a person who is for the time being disqualified due to the person having had a previous licence revoked in the area of the appropriate authority within the last 12 months;
- (c) to a person, other than a body corporate, who is not resident in an EEA State or was not so resident throughout the period of six months immediately preceding the date when the application was made; or
- (d) to a body corporate which is not incorporated in an EEA State: or
- (e) to a person who has, within a period of 12 months immediately preceding the date when the application was made, been refused the grant or renewal of a licence for the premises, vehicle, vessel or stall in respect of which the application is made, unless the refusal has been reversed on appeal.

None of the above applies to the licence applied for.

Discretionary grounds for refusal:

A licence **may be refused** where:

- (a) the applicant is unsuitable to hold the licence by reason of having been convicted of an offence or for any other reason;
- (b) if the licence were to be granted, renewed or transferred the business to which it relates would be managed by or carried on for the benefit of a person, other than the applicant, who would be refused the grant, renewal or transfer of such a licence if he made the application himself;
- (c) the number of sex establishments, or of sex establishments of a similar kind, in the relevant locality at the time the application is determined is equal to or exceeds the number which the authority consider is appropriate for that locality;
- (d) that the grant or renewal of the licence would be inappropriate,

having regard-

- (1) to the character of the relevant locality; or
- (2) to the use to which any premises in the vicinity are put; or
- (3) to the layout, character or condition of the premises, vehicle, vessel or stall in respect of which the application is made

A decision to refuse a licence must be relevant to one or more of the above grounds.

- 4.6 The Provision of Services Regulations 2009 amended Schedule 3 to the 1982 Act to state that, if having considered an application for the grant, renewal or transfer of a licence, the appropriate authority decides to refuse it on one or more of the above ground's, it must provide the applicant with reasons for the decision in writing.

Having considered the application and representations, the Sub-Committee may

- Grant a licence in accordance with the application
- Grant a licence subject to additional and/or varied conditions
- Reject the application.

Dear Mr Prout

Ref – Application for Angels Gentlemans Club to Renew Sexual Entertainment Venue Licence SEV0004

With regard to the above variation on the application, please be advised that the Police intend to make representations to the Plymouth City Licensing Committee.

It is felt that the current condition 4.12 (During the performance of relevant entertainment the entertainers will remain a distance of 1 metre from the audience at all times and there is a 'no touching policy' by either performers or customers) has been instrumental in there being no reported incidents at the establishment this year and is an effective and appropriate condition.

It is our contention the removal of this condition would have a negative effect on the prevention of crime and disorder objective, the protection of safety, health and public decency and the safety and protection of both client and performer.

This condition was added to the license at the request of the applicant Mr P Drinkwater at the time of the initial grant.

Evidences shows that prior to such a condition being imposed there was a high level of criminal activity being carried out within the premises.

It is accepted that Mr P Drinkwater was not involved in this business at that time, however it is the opinion the Devon and Cornwall Police that this condition is necessary and effective for the protection of clients and performers against allegations and commission of criminal offences or sexual activity.

As Mr P Drinkwater requested the condition at the grant application stage it is unclear to the Police the benefit of its removal.

Therefore the Devon and Cornwall Police wish to object to this application

Yours sincerely

Dear Mr Prout

Ref – Application for Angels Gentlemans Club to Grant/Renewal/Variation of Sexual Entertainment Venue Licence SEV0004

With regard to the Grant/Renewal/Variation of the Sexual Entertainment Venue License application, please be advised that the Police intend to make representations to the Plymouth City Licensing Committee.

Following receipt of the application for renewal submitted by Mr Drinkwater and dated 14th October 2013 a licensing visit was conducted on 10th November 2013 by PC Taylor. At the same time a notice requesting copies of CCTV was served.

The images were produced to the Devon and Cornwall Police on 17th November 2013.

Examination of these images indicated there had been a number of occasions the no touching and 1 metre rules had been breached.

There was also evidence of one incident where the dancers were engaged in sexual activity as opposed to lap dancing. This activity did not include the client

Pc Taylor returned to the premises on 24th November 2013 and viewed images at the premises. As a result of his observation he seized the recording device containing all the images.

Examination of this device revealed evidence that on different dates at different times and with different dancers the no touching rule and 1 metre rules were routinely being breached.

It also revealed evidence that on numerous occasions the dancers were engaging in sexual activity. There is no evidence to indicate this activity involved the clients.

A check of The Devon and Cornwall Police records show that prior to Mr Drinkwater opening the club in November 2012 the previous premises licence holders had been subject to a police application for an expedited review resulting in the revocation of the Premises

Some crimes associated with that review are still subject of judicial procedures.

It is accepted that Mr Drinkwater was not involved in this business at that time.

However it is the opinion the Devon and Cornwall Police that he has failed to manage the club effectively, he appears to be unaware of the activities of his dancers, he is either in breach of the conditions that CCTV of the entertainment is constantly monitored or the content is ignored.

This lack of management intervention has enabled the performers and staff to consistently breach the conditions attached to the license and the club rules.

These rules are necessary for the effective protection of clients and performers against allegations and commission of criminal offences or sexual activity, and the safe operation of a sensitive type of entertainment.

The Plymouth City Council Sex Establishment Licensing Policy requires engagement with the Licensing Objectives of

- The Prevention of Crime and Disorder
- The protection of safety health or public decency
- The prevention of Nuisance
- The protection of children from Harm
- Protecting the nature amenity and character of a neighbourhood.

It is our contention that the current operation of this licence does little to engage with the above objectives and in particular conflicts with the protection of safety, health or public decency.

Given the current operation of the licence the lax management and the type of activity described it is felt that the renewal of this licence would result in further serious breaches of the conditions.

The Devon and Cornwall Police invite you to reject this application and to refuse the grant/renewal of this licence.

Yours sincerely

Stephen Bates

Subject: Licensing - Angels

Dear Fred,

I would like to object to Angels Club aim to have the one metre "no touching" rule removed. This is because there have been abuses in the past that this council, along with the police, have had to deal with . I am also concerned that the waiver of this rule for Angels may cause a precedent to beset for any other similar types of entertainment.

I also object to Mondays and Tuesdays having the same closing time as the other opening nights i.e. 4 am as these are days where I'm told that the street is relatively quiet and my concerns are for nearby residents should noise and disturbance increase.

Regards,

Sue
