Co-commissioning of Primary Care Services

Report for Plymouth Health and Wellbeing Board Meeting: June 2014

Recommendation

The Board is invited to engage and contribute views in relation to the potential new arrangements for co-commissioning of primary care services.

NHS England has asked CCGs to submit expressions of interest to develop new arrangements for co-commissioning of primary care services.

The Expressions of Interest should include information on the following areas:

- At individual CCG or group of CCGs level
- Intended Benefits and Realisation
- Scope
- Nature of co-commissioning
- Governance
- Monitoring and evaluation
- Engaging Member Practices and Stakeholders

To complete the Expression of Interest NEW Devon CCG would like to include the views of member practices, patient groups, provider organisations and local authority colleagues.
