PLYMOUTH CITY COUNCIL CONSTITUTION

PART H

OFFICER SCHEME OF DELEGATION STANDING ORDERS AND REGULATIONS

OFFICER SCHEME OF DELEGATION OF FUNCTIONS And PROPER OFFICERS

- I The scheme of delegation to Officers
- 1.1 The intention of the scheme is to authorise the Chief Executive or a first tier officer, to carry out responsibilities for
 - (i) All Council functions which the Council has not reserved to itself or delegated to a Committee or Sub Committee in this constitution and which Council has not authorised an officer to carry out.
 - (ii) All Executive functions where the Leader has not reserved the decision to himself or herself or delegated it to Cabinet, a committee of Cabinet, or a Councillor in this constitution, or in his or her scheme of delegation of functions, and which the Leader, the Cabinet, that Committee of Cabinet or Councillor has not authorised an officer to carry out.
- 1.2 The fact that an Officer is authorised to carry out a function does not require that Officer to give the matter his or her personal attention and the Officer may authorise an officer of suitable skills and experience to carry out that function. Any such authorisation must be set out in writing, kept by the Strategic Director and notified to the Monitoring Officer.

- 1.3 Where an Officer is authorised to carry out a function he or she will authorise another officer or officers to carry out that function in his absence, or as required by him or her.
- 1.4 Officers do not have to deal with all matters where they have authority to do so: they can refer the matter back to the Council a Committee or a Sub Committee or to the Leader the Cabinet a Committee of Cabinet or a Councillor.

2 Interpreting these rules

- 2.1 The scheme delegates functions of the Council or the Cabinet to officers and should be interpreted widely rather than narrowly. In cases of dispute as to the interpretation of this scheme the interpretation of the Monitoring Officer shall apply.
- 2.2 In the scheme "officer" means the holder of any post named in this scheme. "Council functions" means those functions which are prescribed as Council functions by regulation
 - "Executive functions" means those functions which are prescribed as the responsibility of the Executive by regulations
 - "First tier officer" means an officer who reports directly to the Chief Executive and who does not carry out a role which has the primary function of carrying out an administrative or secretarial support role
 - "Second tier officer" means an officer who reports directly to a First Tier officer and who does not carry out a role which has the primary function of carrying out an administrative or secretarial support role.
- 2.3 This scheme operates under the Local Government Act 1972, the Local Government Act 2000, the National Health Service Act 2006, the Localism Act 2011 and all other legislation conferring powers and responsibilities on the Council as amended consolidated or reenacted from time to time.
- 2.4 Any reference to a statute, statutory provision or statutory instrument includes a reference to that statute, statutory provision or statutory instrument together with all rules and regulations made under it as from time to time amended, consolidated or reenacted.
- 2.4 Where an Officer is authorised to carry out a function within this scheme of delegation or elsewhere in the Constitution, he or she has authority to do anything necessary to carry it out that function (unless it was forbidden when the responsibility was delegated).

Examples of this are the authority to sign all necessary documents, determine applications, authorise payments, authorise prosecutions, implement national agreements, issue and serve statutory and other notices, authorise entry to land in pursuance of statutory powers, and take statutory action if:

- a) the Officer has management or budget responsibility for the function concerned, and
- b) the law or the Council's standing orders do not require the action to be taken by someone else and
- c) the decision maker has had regard to any advice from the Chief Financial Officer under Section 114 of the Local Government Finance Act 1988 and the Monitoring Officer under section 5 of the Local Government and Housing Act 1989.

2.5 Limitations
