1. When do these standing orders apply?

- 1.1 These standing orders apply when the council expects to spend money or provide other value for goods, works or services. They do not apply to contracts of employment with the Council. They apply to both capital and revenue and cover:
 - contracts for goods, works or services
 - acquisitions and disposals of land or buildings
- 1.2 The officers named in Standing Order 11.1 have authority to waive the requirements of any of these rules (but they must always comply with national and EU law.)

2. Other relevant guidance, rules and law

- 2.1 All contracts entered into by the Council must be to carry out the Council's functions or be in connection with the Council's functions. They must comply with:
 - all relevant national law and EU procurement law
 - all relevant EU procurement rules and guidance
 - the Financial Regulations (see part G of the Constitution)
 - the policy framework and budget procedures (see part B of the Constitution)
 - the Constitution.
- 2.2 Officers must consider the requirements of the Constitution and legal issues when entering contracts and must ensure the risks are fully assessed.

3. Responsibility to follow these standing orders and relevant law

- 3.1 These standing orders apply to all officers. It is the responsibility of the relevant Assistant Director to make sure that their staff follow standing orders.
- 3.2 The Council may take disciplinary and/or legal action against anyone who breaks these rules or the relevant national or EU law.

4. Interests of Councillors and officers in contracts

- 4.1 Requirement to avoid conflicts of interest: Councillors, officers and anyone acting for the council in connection with the procurement, award and management of council contracts must act with the highest standards of probity and avoid conflicts of interest.
- 4.2 Councillors' interests: Councillors must follow the Councillors Code of Conduct ([see Part G of the Constitution](#)). In addition it is a criminal offence for a councillor not to declare a financial interest in a contract.
- 4.3 Officer interests, reports and advice: Officers must declare interests in contracts. It is a criminal offence for an officer not to declare a financial interest in a contract. (This does not apply to an officer's own contract of employment or their tenancy of a council owned property).
- 4.4 Directors are responsible for recording officers' financial interests in a register that is kept in the department.
- 4.5 Officers should not write reports on something they have declared an interest in; or advise council or the cabinet or a committee on something they have declared an interest.

5. Gifts and hospitality

5.1 As a general rule councillors and officers must not accept:

- any gift (other than an inexpensive gift such as a calendar or diary for use in the office); or
- any hospitality
- from suppliers or potential suppliers, or from any firm or organisation with whom the council has had, is having or may have any dealings of any kind - without the written authorisation of a Director.

5.2 'Hospitality' includes drinks, meals, entertainment, overnight accommodation, travel and holidays, but does not include a lift in a private or company car or a taxi or refreshments in the course of office duty (e.g. a working lunch).

5.3 All staff who accept gifts or hospitality must complete a receipt of gift or hospitality form. Once completed the form should be sent to the Monitoring Officer.

5.4 Directors must immediately enter in a register, particulars of:

- any gift (including how it has been returned to the giver or otherwise disposed of e.g. donated to the Lord Mayor for charitable purposes); and
- any hospitality.

6. Procurement advertisements

The Council will publish all procurement opportunities and contract awards over £100,000 on the Council's procurement portal (www.devontenders.gov.uk).

7. Before a contract is procured

Before undertaking a procurement the authorised officer must:

- identify the need for the services, goods or works in question and fully assess all options for meeting those needs (including recycling and re-use where appropriate)
- establish a business case for the procurement
- establish the council has the legal power to enter into the contract
- contact strategic procurement to discuss the available options
- make sure the project has been accepted onto the capital programme, if it is a capital project See capital programme governance document.
- consider whether there is an appropriate framework agreement or Office of Corporate Governance(OGC) contract that could be used)
- consider the Council's procurement business plan as appropriate
- choose a course of action which represents best value for money for the council

8. Estimating the total contract value

8.1 The total contract value is the total amount (minus VAT) that is expected to be paid to the supplier as a result of the contract award during the whole of the contract. If the value is £50,000 per annum for two years, then the total value of the contract is estimated at £100,000. It includes

- the value of any non-monetary consideration or benefit the Council is giving to the supplier
- the value of anything the Council is getting for free as part of the contract

- any amount that could be paid by extending the contract (if it is possible to extend it).
- 8.2 If the length of a contract is uncertain and the value cannot be reasonably estimated, its total value will be its estimated monthly value times 48.
- 8.3 A single contract must not be split into smaller contracts to get around these contract standing orders or the law, and goods, services or works must not be split to get around these contract standing orders or the law.
- 8.4 The contract must be treated as a high value procurement where there is a transfer of staff.

9. Format of contracts

- 9.1 Contracts must be in writing.
- 9.2 Contracts must be executed as a deed (sealed) if they are for property building and construction, nil consideration, probate, or if the Head of Legal Services advises they must be executed as a deed.
- 9.3 Contracts over £100,000 must be in a form approved by the Head of Legal Services.
- 9.4 Contracts over £100,000 must be signed by two authorised officers or sealed; contracts for a lesser sum must be signed by one authorised officer or sealed.
- 9.5 Contracts over the EU threshold must comply with relevant EU procurement law.
- 9.6 Electronic signatures may be used in accordance with the Electronic Signature Regulations 2002 if the strategic procurement manager is satisfied that the arrangements are secure.

10. Contract terms and conditions

- 10.1 Contracts must be entered into on the council's terms and conditions, which will be referenced on each purchase order and included with each Invitation to tender ("ITT"). Exceptions to this rule must be approved by the Head of Legal Services.
- 10.2 Where contracts are subject to the Regulations, the rules relating to technical specifications will be followed and any reference to a technical standard, make or type will be prefaced with the words "or equivalent". This requirement applies to both Part A and Part B Services (as defined in the Regulations).
- 10.3 The standard terms and conditions of the council are available on the website.

11. When is there no need to seek quotes or tenders?

- 11.1 Emergencies: If there is an unforeseen emergency or a disaster involving immediate risk to persons, property or serious disruption to council services or significant financial loss any Director can approve waiving these rules after consulting the Head of Legal Services where practicable. They must prepare a report for the next Cabinet to support the action taken.
- 11.2 Exempt contracts: The following contracts are exempt from the requirements to obtain tenders provided that quotations are sought.
- contracts for less than £100,000;
 - contracts relating solely to disposal or acquisition of an interest in land, provided that the contract is not deemed to be a works contract in which case the contract shall be procured in accordance with these rules as a works contract;
 - contracts for individual personal care services;
 - transactions conducted by the Chief Finance Officer in respect of dealing in the money market or obtaining finance for the Council;

- contracts offered by the Head of Legal Services for the appointment of counsel;
- contracts where a sole supplier has exclusive rights (e.g. alterations to statutory undertakers apparatus).

11.3 Where there is a written waiver: In cases where the EU regulations do not apply, the relevant Director and the heads of strategic procurement and legal services can waive the requirements of any of the contract rules. All waivers and the reasons for them must be recorded using the designated form which can be found on the document library. The waiver form must be signed by the Director and agreed by the heads of strategic procurement, legal services and the head of the relevant service area.

12. Purchasing Card Procurement

- 12.1 Purchasing cards are badged charge cards, issued to an individual for the express function of purchasing one off requirements or low value, low risk goods and services for the authority which are not available as a catalogue item on the CIVICA purchasing system.
- 12.2 Only the person whose name appears on the card is authorised to use the card up to the maximum transaction value as detailed in table 13
- 12.3 They work in a similar way to personal credit cards, however they do not offer extended credit and the balance on the cards is automatically paid off monthly. Cash cannot be withdrawn except by nominated Emergency Response Officers.
- 12.4 Purchasing cards shall only be used in accordance with the Purchasing Card Cardholder User Guide which is available on the document library.
- 12.5 The application for a Purchase Card is available on the document library.

13. Table of purchase card limits

	Maximum Transaction Limit	Maximum Authorised Card Limit
Director	£2,000	£10,000
Head of Service	£1,000	£5,000
3rd Tier Manager	£1,000	£5,000
Head Teacher	£1,000	£10,000
Departmental Nominated Purchase Officer	£10,000	£20,000
Emergency Planning Officer	£20,000	£100,000
Senior Officer from Finance Department (for Emergency response purposes)	£20,000	£100,000

14. Lodge Cards

- 14.1 Lodge cards are a type of credit card which are badged and “lodged” with the supplier so the card number does not need to be quoted on each order. They provide a cost effective and simple means of managing and allocating spend, ensuring the availability of electronic management information without the need for placing purchase orders.
- 14.2 Lodge cards should be used with suppliers whose service is provided centrally to a service area such as schools catering, travel etc. Agreement for the use of a lodge card will only be given by the Strategic Procurement Manager.

15. Fuel Cards

15.1 Fuel cards are a type of credit card used solely to purchase fuel; they can be used in all of the major UK filling stations.

15.2 There are three different types of cards:

- Person Card: This card is assigned to a specific person and can only be utilised by that person when using a hire car or a fleet vehicle which is utilised by a number of people. This card cannot be used for casual and essential users.
- Vehicle Card: This card is utilised for our fleet vehicles and is allocated to a specific registration
- Bearer Card: Bearer cards are not assigned to either an individual or specific vehicle they are assigned to a department for all to use. These cards offer a high risk of fraudulent use, therefore, the issuing and management of the card has to be done in a controlled manner as detailed in the instructions for use (available on the document library).

15.3 Application forms for any of the above fuel cards are available from strategic procurement.

15.4 Fuel cards shall only be used in accordance with the Fuel Card Cardholder User Guide (available on the document library).

16. Contract Procurement – existing and corporate contracts

16.1 Competitive quotations and tenders are not required if there is a contract already in place. The contract register detailing the list of contracts is available on the document library.

16.2 Many of the corporate contracts are set up as catalogue items available to purchase using the CIVICA purchasing system. Anyone with access to the system can place a purchase order for catalogued goods and services by [Finding a Product](#) in the Civica Purchasing system.

17. Low Value/Low Risk Procurements

17.1 For goods and services procurements valued below £100,000 and for non-technical works procurements valued below £200,000 a purchase requisition (available on the document library) will need to be completed detailing the full specification including manufacturers part number (if applicable), quantity, delivery date and charge codes and sent to the procurement mailbox. The operational procurement team will source at least three written quotations, two of which shall be from local suppliers where possible, utilising the chosen portal, Sell 2 Plymouth, before a formal purchase order is issued specifying the goods or services to be provided and setting out the price and terms of purchase. Faxed or e-mailed quotations are acceptable for these purposes.

17.2 For technical procurements valued below £100,000 and for technical works procurements which are valued below £200,000 a detailed specification will need to be completed including evaluation criteria, plus for works the chosen terms and conditions and sent to the procurement mailbox. The strategic procurement department will support this procurement.

17.3 To avoid unnecessary risk, only Council approved purchasing suppliers should be used.

17.4 Approved suppliers are those who have registered and have been green flagged on the Council's Sell 2 Plymouth vendor management portal. <http://www.sell2plymouth.co.uk>

18. High Value/High Risk Procurements

- 18.1 For all procurements of goods and services valued above £100,000 or above £200,000 for works procurements or those where staff will transfer, a tender and contract award procedure must be conducted in accordance with these contract rules. The outcome of the contract award procedure must be recorded in the contracts register, which is maintained by the strategic procurement department.
- 18.2 For all procurements above £100,000, approval must be obtained for both the evaluation criteria and award of contract in accordance with the table in 19.
- 18.3 In the event of a re-tender due to legal obligations under procurement law, authorisation to re-tender is not required. In all other circumstances (i.e. new procurements) Business case approval must be sought in accordance with the table of authorisation detailed in 19.
- 18.4 Any contract that is funded by capital funds can only be approved if it is on the capital programme.

19. Who can authorise contracts?

Contract Value	Who can authorise the outline business case or tender?	Who can agree the evaluation criteria?	To be placed on the Forward Plan?	Approval documents required	Who can award the contract?
Over £100,000 and less than £500,000	Assistant Director	Assistant Director	N/A (unless it constitutes a key decision)	Contract Award Report	Assistant Director
Over £500,000 and less than £2,000,000	Cabinet Member	Assistant Director	N/A (unless it constitutes a key decision)	Contract Award Report and Delegated Decision Report	Cabinet Member
Over £2,000,000 or a key decision	Cabinet	Assistant Director	Yes	Contract Award Report and Cabinet Report	Cabinet

20. High value/high risk procurement process

- 20.1 Prior to the commencement of procurement the Authorised Officer will develop the procurement approach.
- 20.2 One of five procurement procedures must be used as appropriate for the particular procurement i.e. open, restricted, competitive dialogue, negotiated or predetermined framework agreement (information on these procedures are detailed below (see sections 22 to 26).
- 20.3 For procurements valued above £100,000 but falling below the EU threshold tender timescales and procedures can be adjusted accordingly but only after consultation with strategic procurement.
- 20.4 For procurements that constitute a key decision or are above £500,000, decisions to approve the business case must be taken by either the cabinet member or cabinet as detailed in table 19 above and the head of service needs to arrange for notice of the earliest

date on which the decision could be taken to be placed on the forward plan. The head of service will also need to provide appropriate reports to the portfolio holder or cabinet using the standard forms that are available on the document library.

21. Application of the Regulations

- 21.1 Where an estimated value of a contract exceeds the current EU threshold then the contract must be procured in accordance with the Regulations, unless there is a suitable framework available. Under the Regulations, the contract may be tendered under the restricted, open, competitive dialogue or, in exceptional circumstances exhaustively set out in the Regulations, the negotiated procedure.
- 21.2 The current EU thresholds effective from 1st January 2012 that will apply to the 31st December 2013 are:

	Supplies	Services	Works
Value at which a Contract/Order must be put through the EU process	£173,934	£173,934	£4,348,350

- 21.3 For procurements subject to EU thresholds a contract notice in the prescribed form will be published in the Official Journal of the European Union (OJEU) in order to invite tenders for or expressions of interest.
- 21.4 Procurements for Part B services (as defined in the regulations) do not need to be advertised in the OJEU unless there is a possibility of cross border interest. The successful tenderer's details must be published in the OJEU.
- 21.5 The rules relating to technical specifications and the publication of contract award notices will be observed for all contracts as must the EU Treaty and the general principles of EU law including non-discrimination, equal treatment, proportionality, transparency and mutual recognition.
- 21.6 The Regulations set out the minimum timescales for receipt of expressions of interest and tenders. Where the council has published a Prior Information Notice announcing its forthcoming contracts for the year ahead, then the council may rely on reduced timescales as set out in the regulations if appropriate.
- 21.7 When using any procedure under OJEU, the contract award is subject to a mandatory 10-day standstill period. The 10 day standstill period starts on the day that all the suppliers are formally notified via either fax letters or e-mail of the decision to award the contract or conclude the framework agreement. This notice must also give details of the criteria for the award the reasons for the decision, including the characteristics and relative advantages of the successful tender, their respective score against the evaluation criteria (as set down in the ITT) and the score and name of the winning tenderer, and the date before which the council will not enter the contract or conclude the framework agreement. Once the 10 days have expired then on the next working day the council is able to place the contract with the successful tenderer (days to be added for bank holidays), if no valid challenge is received.
- 21.8 The regulations allow contracting authorities to reserve contracts for supported factories and businesses, [Public Sector Procurement Directive Article 19 \(Regulation 7 of the Regulations\)](#) applies. This directive is committed to ensuring equality of employment opportunity for everyone.

22. Restricted Procedure

22.1 The Authorised Officer must publish an advertisement:

- in OJEU (if required by the Regulations)
- on the council's procurement portal (www.devontenders.gov.uk)

22.2 Only those suppliers selected by the Council may be invited to tender. Suppliers will be selected on the basis of published pre-qualification criteria.

22.3 If the Regulations apply, a minimum of five suppliers must be invited to tender and in all other cases a minimum of three must be invited to tender.

22.4 The Restricted Procedure is the Council's chosen standard process for procurements above the £100,000. Any other process can only be used if the relevant officers have agreed to waive this rule and have signed the necessary forms – see section 11.3.

22.5 If the regulations do not apply, tender timescales can be amended accordingly.

23. Open Procedure

23.1 The Authorised Officer must publish an advertisement in:

- OJEU (if required by the Regulations)
- on the council's procurement portal (www.devontenders.gov.uk)

23.2 The advertisement must contain details of the proposed contract and specify a time limit within which interested parties may express an interest in tendering for the contract.

23.3 After the expiry of the deadline date for expressions of interest, the Council will send any party expressing an interest an ITT. The ITT must specify the return date for tenders.

24. Negotiated Procedure

24.1 This procedure may only be used after consultation with the strategic procurement manager and having obtained the agreement of the Head of Legal Services. It may only be used in very limited circumstances and is rarely used by local authorities.

24.2 The Authorised Officer must publish an advertisement in OJEU and the council's procurement portal. Only those suppliers selected by the council are invited to tender. Suppliers shall be selected on the basis of published pre-qualification criteria. Any notice will state that a negotiated procedure is being used.

24.3 A minimum of three suppliers should be invited to negotiate following publication of a notice.

24.4 At minimum of two officers, at least one of whom must be a strategic procurement representative or their delegate, must be present at all times during the negotiations.

24.5 The authorised officer must keep proper records of all negotiations and these will be signed as such by all participants.

24.6 At all times during the negotiations, the council will consider and implement the principles of non-discrimination, equal treatment and transparency.

25. Competitive Dialogue Procedure

25.1 The competitive dialogue procedure is for use where the strategic procurement manager considers that the open or restricted procedure will not allow the award of the contract due to the fact that it is a particularly complex procurement. The use of the competitive

dialogue procedure must be considered before the use of the negotiated procedure. It can only be used with the most economically advantageous award criteria and this must be stated in the contract notice or accompanying descriptive document.

- 25.2 The council envisages the competitive dialogue procedure being used for many private public partnerships where contracts are complex and the technical means and/or the legal and financial structure cannot be determined without dialogue with suppliers.
- 25.3 In the case of a particularly complex contract, you may be aware of your needs but not know in advance what the best technical, and/or legal and/or financial solution is. A competitive dialogue procedure between buyers and suppliers is therefore necessary to identify the solution or solutions that best meet their needs. Such a dialogue is not allowed under the current open and restricted procedures. However, the process is time-consuming and the most expensive method of procurement.
- 25.4 The Authorised Officer must publish an advertisement in:
- OJEU (if required by the Regulations)
 - on the council's procurement portal (www.devontenders.gov.uk).
- 25.5 The Regulations set out further rules which apply to Competitive Dialogue Procurements. Competitive Dialogue procurements should be referred to the council's strategic procurement and legal services teams.

26. Predetermined Framework Agreements

- 26.1 Framework agreements set up by third party organisations may be used after consultation with the strategic procurement manager and head of legal services.
- 26.2 Framework agreements established by the council will be procured in accordance with the regulations.
- 26.3 When awarding call-offs (individual contracts), under framework agreements, the authority does not have to go through the full procedural steps in the Regulations again so long as the rules were followed appropriately in the setting up of the framework agreements themselves.
- 26.4 Call-offs under the framework agreement should be awarded within the terms laid down in the agreement.
- 26.5 Arrangements to enter into a contract through a call-off agreement will still require appropriate authorisations as shown in the table of authorisation in section 19.

27. Pre-qualification

- 27.1 The council will only enter into a contract with a supplier if it is satisfied as to the supplier's:
- eligibility in accordance with regulation 23 of the regulations and
 - economic and financial standing and
 - technical or professional ability.
- 27.2 Technical ability includes the supplier's quality management systems including human resources, health and safety, equality and diversity provisions and environmental management systems where relevant to the performance of the contract.
- 27.3 The council's standard pre-qualification questionnaire template document is available on the document library.

28. The Invitation to Tender

- 28.1 The invitation to tender (“ITT”) will include details of the Council’s requirements for the particular contract including:
- i. a description of the goods, services or works being procured;
 - ii. the procurement timetable including the tender return date and time, which will allow a reasonable period for the applicants to prepare their tenders;
 - iii. a specification and instructions on whether any variants are permissible (this must be stated in any OJEU notice);
 - iv. the council’s terms and conditions of contract;
 - v. the evaluation criteria including scoring methodology and any weightings as considered appropriate;
 - vi. pricing mechanism and instructions for completion;
 - vii. whether the Council is of the view that the Transfer of Undertakings Protection of Employment (TUPE) regulations may apply;
 - viii. form and content of method statements to be provided;
 - ix. a requirement for tenderers to declare that the tender content, price, or any other particulars concerning the tender have not been unnecessarily disclosed to any other party;
 - x. any further information which will inform or assist tenderers in preparing tenders;
 - xi. a statement that the Council is not obliged to accept the lowest or any tender and that the tenderers are responsible for their own costs with regard to the tender;
 - xii. the address for the return of a hard copy tender must be:
Plymouth City Council
Strategic Procurement Department
Ballard House
West Hoe Road
Plymouth
PL1 3BJ

Electronic tenders should be uploaded onto www.devontenders.gov.uk

- 28.2 The council’s standard tender template document is available on the document library and also on the procurement website.
- 28.3 The requirements of 28.1 may be varied as appropriate for procurements falling under section 24 (negotiated procedure), 25 (competitive dialogue procedure) and 26 (predetermined frameworks).

29. Submission and Opening of Tenders

- 29.1 Tenders must be submitted in accordance with requirements set out in the ITT. Tenders must be kept in a safe place by the strategic procurement department and remain unopened until the time and date specified for its opening. Tenders received after the specified date and time will not be considered or accepted by the council unless the strategic procurement manager is satisfied that there is sufficient evidence for the tender having been despatched in sufficient time for it to have arrived before the closing date and time.
- 29.2 Tenders must be opened by an officer of the strategic procurement department and one or more officers of the project team. An immediate record will be made of the tenders received including names, addresses and the date and time of opening.

29.3 Prior to the tender evaluation all officers of the tender evaluation team are required to sign a declaration of direct or indirect interest, canvassing and confidentiality form. The completed form should be returned to the strategic procurement department.

30. Electronic Tendering

30.1 Requests for quotations (RFQs) and ITTs may be transmitted by electronic means. Quotations and tenders may be submitted by electronic means provided that:

- i. evidence that the transmission was successfully completed is obtained and recorded;
- ii. electronic tenders are kept in a separate secure folder under the control of the strategic procurement department, which is not opened until the deadline has passed for receipt of tenders.

31. Tender Evaluation

31.1 Tenders will be evaluated in accordance with the weighted evaluation criteria which must be detailed in the ITT.

31.2 All contracts, except contracts where lowest price was predetermined to be the appropriate criteria, will be awarded on the basis of the offer which represents 'Best Value for Money' to the council.

31.3 The evaluation criteria must be predetermined, given weightings, and listed in the ITT documentation, in order of importance if applicable. The criteria must be strictly observed at all times throughout the contract award procedure by any officer involved in the tender evaluation.

32. Evaluation Team

32.1 An evaluation team will need to be formed for each procurement subject to the Regulations or for goods and services valued above £100,000, or for works procurements valued above £200,000.

32.2 The evaluation team should include but not be limited to the authorised officer, strategic procurement, legal & finance.

32.3 It is the responsibility of strategic procurement and/or finance to evaluate the commercial element of the tender.

33. Bonds, Guarantees and Insurance

33.1 For high value procurements, the evaluation team will consider as part of its prequalification assessment and evaluation process whether a performance bond and/or a parent company guarantee (if applicable) will be required from the preferred supplier.

33.2 The evaluation team must also consider the appropriate type and level of insurance requirements for each contract (e.g. employer liability, public liability, professional indemnity, etc.).

34. Award of Contract

34.1 A contract may only be awarded by an officer with the requisite delegated authority to award contracts. The authorised officer should make sure that the budget holder responsible for the contract has sufficient funds in place to sustain the contract prior to award. For all procurements valued at above £500,000 the decision to award a contract

must be made by the cabinet member for the relevant portfolio. (See the table in section 19 which demonstrates the decision levels within the council).

34.2 In the event that the council does not wish to award a contract after evaluating a tender response the authorised officer should advise all suppliers in writing detailing the reason for the decision and the way forward.

35. Debriefing

35.1 The authorised officer responsible for the procurement will provide feedback to all unsuccessful tenderers, detailing the reasons for the decision, including characteristics and relative advantages of the successful tenderer. Scores of the unsuccessful bidder and the winning bidder must also be issued with the award decision.

35.2 Should the unsuccessful tenderer request a further debrief after receipt of the feedback detailed in section 35.1 it is the responsibility of the authorised officer to do so. The standard agenda for the debriefing is available on the document library.

36. Contract Award Notice

Where a contract has been tendered pursuant to the regulations, the council will publish a contract award notice in OJEU no later than 48 days after the date of award of the contract.

37. Copies of tenders and contracts and register of contracts

Keeping copies of old tenders and contracts

37.1 The Authorised Officer in respect of a particular procurement must maintain a list of all tenders received.

37.2 For every individual contract, a contracts file must be maintained by the chief officer. If the total contract value is over £10,000, the chief officer must keep a copy of the contract for at least seven years from their end date if they were signed; and for at least 13 years from their end date if they were sealed.

38. Keeping a register of contracts

38.1 The strategic procurement unit will allocate a contract number to each individual contract and will maintain a register of all contracts awarded above £100,000.

38.2 Each chief officer will maintain their own register of all other contracts entered into by their department.

38.3 At the end of each quarter the chief officer will send their register to the strategic procurement team for publication in accordance with the Local Transparency – A Practitioners Guide to Publishing New Contracts and Tenders Data, November 2010.

39. What will the register record?

39.1 For each contract, the register will record:

- what the contract is for;
- the total contract value;
- contract reference number;
- OJEU details (if applicable);
- The council officer name & contact details;

- the name, address & contact details of the contractor;
- the start and end dates;
- the procurement method used;
- whether the contract can be extended and how;
- whether a certificate was issued under the Local Government (Contracts) Act;
- For the full list, the contract register is available In the document library.

40. Joint Procurement

- 40.1 Any joint procurement arrangements with other bodies including membership or use of purchasing consortia must be approved by the strategic procurement manager and the head of legal services prior to the commencement of any procurement on behalf of the Council.
- 40.2 Approval will only be given where the joint procurement arrangement assures compliance with the regulations.

41. Consultants

- 41.1 Any consultants used by the Council must be appointed in accordance with these contract rules. The authorised officer must ensure that the consultant's performance is monitored.
- 41.2 Where the Council uses consultants to act on its behalf in relation to any procurement, then the authorised officer must ensure that the consultants carry out any procurement in accordance with these rules.
- 41.3 No consultant may make any decision on whether to award a contract or who a contract should be awarded to.

42. Statistical Returns

- 42.1 Each year the council will make a statistical return to the government for onward transmission to the European Commission concerning the contracts awarded during the year under the regulations.
- 42.2 The strategic procurement manager is responsible for this statistical return and will make the necessary arrangements for information to be collected annually. Directors will comply with these arrangements.

43. Contract Extension and Variation

- 43.1 Any contract may be extended or varied in accordance with its terms. Where the terms do not expressly provide for extension, contracts subject to the regulations may be extended by negotiation in accordance with the rules set out in the regulations. Such extension must be notified to the individual cabinet councillor for the relevant portfolio and EU rules taken into consideration.
- 43.2 Other contracts may be extended only where authorisation has been agreed and a suitable contract extension/exemption for has been completed and duly authorised. The authorised officer must always be satisfied that extension will achieve best value for money and is reasonable in all the relevant circumstances.

44. Termination of Contracts

44.1 Contracts may only be terminated after seeking advice from the strategic procurement manager and the Head of Legal Services. For any contract exceeding £500,000 in value, termination must be approved by the cabinet member for the relevant portfolio. For any contract that is a key decision or is valued above £2,000,000 termination must be approved by the cabinet.

45. Review and Amendment of Contract Standing Orders

45.1 These contract rules will be reviewed and updated on a regular basis by the strategic procurement manager.

45.2 The strategic procurement manager will produce guidance to the use of contract rules.

46. Interpreting Contract Standing Orders

Questions about the contract standing orders and any related guidance will be dealt with by the Strategic Procurement Manager or Head of Legal Services. Their interpretation will be final.

RULES APPLYING TO THE DISPOSAL OF LAND AND PROPERTY

I When do the land and property disposal rules apply?

- 1.1** The land and property disposal rules apply to all disposals of land and property by the Council. They require each service department to formally determine whether a property is surplus to its requirements, after which all other service departments are given the opportunity to consider its re-use for operational purposes, before disposal. The respective ward Councillors are also notified of the pending disposal for their information
- 1.2** The rules aim to generate additional capital receipts, relating to property transactions.
- 1.3** As disposal of land held by Councils can be contentious it is important that officers follow the Council's land and property disposal guidelines to demonstrate good practice, avoid allegations of impropriety and avoid or defeat legal challenge. Where a disposal also involves construction works advice should be obtained from procurement or legal services to establish whether the [Contract Standing Orders](#) in relation to works contracts also apply.

2 Need to follow these rules

- 2.1** In order to comply with legislation and best practice it is essential that the procedures adopted for land disposals seek to obtain the best terms reasonably available:
 - (i) allowing all interested parties an equal opportunity to lease or purchase
 - (ii) avoiding partiality or bias
- 2.2** In respect of each disposal (or series of disposals) the corporate property team will declare the land/property surplus to requirements and available for disposal.
- 2.3** In respect of each disposal the Assistant Director for Economic Development will evaluate all relevant matters to the disposal of the property concerned and make a recommendation on the most appropriate method of disposal and in the case of disposal by private treaty, whether a special purchaser be offered direct negotiations. The evaluation will include the financial costs or benefit to the Council of the method of disposal recommended.
- 2.4** Every disposal of land by way of tender must comply with these rules and no exception from any of the following provisions of these rules shall be made otherwise than by the direction of the Council.

3 Tenders

- 3.1** Where land/property is to be disposed of by way of tender the Assistant Director for Economic Development will advertise the Council's intention in a suitable publication. The advertisement will include the following:
 - a description of the property to be disposed of
 - an indication that particulars are available from the commercial property service

- the date by which tenders should be returned

3.2 Tenderers shall be requested when returning the tender to provide such evidence of their financial standing as is deemed appropriate in respect of each disposal.

4 Use of select list tenders

4.1 Where land/property is to be disposed of by select list tender in order to facilitate development, the Assistant Director for Economic Development will publish an advertisement in a suitable publication inviting expressions of interest in the property to be disposed of.

4.2 All persons/organisations responding to the advertisement will be issued with particulars which will include details of the property to be disposed of and, if appropriate, an outline of the Council's objectives in securing disposal.

4.3 The particulars will stipulate the information that prospective purchasers will provide in order to be considered for invitation to tender. This will include:

- the prospective purchasers experience of property development
- copies of the prospective purchasers audited accounts covering the previous three years
- where appropriate, preliminary drawings of the development proposed

4.4 The closing date for deposit of submissions to the Council shall be stipulated in the particulars.

4.5 Invitations to tender shall be sent to not fewer than four of the persons who have deposited submissions in response to the advertisement. If fewer than four such persons apply, all shall be invited to tender if, in the opinion of the Assistant Director for Economic Development, they are suitable tenderers and subject to financial appraisal by the Responsible Finance Officer.

5 Information to be given to tenderers

Each invitation to tender, or where the tender is by way of open tender, the tender documents, shall state that no tender will be received except in a plain sealed envelope addressed to:

Legal Services
Plymouth City Council
Civic Centre
Plymouth
PL1 2AA

which must bear the word TENDER and indicate the land/property to which it relates.

5.2 clearly specify the date and time before which the tender must be returned. Any tender returned after the specified time shall not be considered and must not be opened but kept in a safe place by an officer delegated by the head of legal services until the tender has been

awarded. After award, the late tender may be opened to find out the name and address of the tenderer and returned to it, with a note recording the circumstances of its return.

5.3 that any indication on the envelope identifying the tenderer will invalidate the tender.

6 Receipt of tenders

6.1 All tenders will remain in the custody of the head of legal services until the time appointed for their opening.

6.2 The head of legal services will record, in a book to be kept for the purpose; the tenders received and indicate on each tender envelope received the date and time of such receipt.

7 Opening of tenders

7.1 Tenders will be opened at the appointed time by the head of legal services and Assistant Director for Economic Development or other senior officers authorised by them.

7.2 The representative of the head of legal services will list the names of the tenderers and where practicable the respective amount thereof.

7.3 The Assistant Director for Economic Development will initial the tenders and arrange for their immediate tabulation and any necessary further negotiation and checking.

7.4 The Assistant Director for Economic Development will give written notice to the cabinet member of the time appointed for the opening of the tenders so that he/she may be present at the time.

8 Acceptance of tenders

8.1 No tender other than the highest tender will be accepted by the cabinet member unless s/he and the monitoring officer have considered a written report from the Assistant Director for Economic Development.

8.2 As soon as possible after the opening of the tenders the Assistant Director for Economic Development will write to the unsuccessful tenderers informing them of the outcome of the tender exercise.

9 Informal and negotiated tenders

9.1 The preceding paragraphs will apply to informal and negotiated tenders unless they are inconsistent with this paragraph.

9.2 Following the opening of the tenders the Assistant Director for Economic Development or an officer authorised by him/her will enter into negotiations regarding the fulfilment of conditions but will not seek to increase the basic tenders put forward nor accept increased offers from unsuccessful tenderers.

9.3 In cases where the scale, complexity or perceived sensitivity of the negotiation is of particular importance, the negotiating officer will, whenever possible, be accompanied to meetings by another Council officer. (The requirement for a second Council officer will be deemed to be met if the negotiations are attended by an officer of another local authority

or government department or by a representative of external advisers appointed by the Council).

- 9.4** Meetings will normally take place at the Council's offices or at the offices of the Council's advisers, on site, at the premises of the prospective purchaser/lessee or those of their advisers or at the offices of another local authority or government department. Any departure from this practice will be formally recorded on file and notified to the head of service.
- 9.5** Notes of meetings and telephone calls should be recorded at the time on the file.
- 9.6** Where external consultants have been appointed to advise the Council, these rules apply equally to the external consultants as they would to Council officers.

10 Councillors role in land and property transactions

- 10.1** Councillors should not be involved in negotiations on land and property transactions with third parties. Councillor involvement in the discussion of initial scheme proposals (e.g. the assessment of schemes at expression of interest or formal tender stage) will occasionally be necessary but this should only be in the format of proper meetings and presentations organised in consultation with the cabinet member and head of service. Such meetings must be recorded and noted on the file. Where a third party attempts to involve a Councillor in negotiations, the Councillor will refer the same to the Monitoring Officer and will have no further part in the transaction concerned.
- 10.2** No Councillor shall issue any order in respect of works required on any Council site or property.
- 10.3** Similarly, no Councillor shall claim any right to enter upon land and premises not in Council ownership but which the Council has a right or duty to inspect.
- 10.4** Any Councillor proposing to inspect any Council building or works shall not do so without the authority of the Head of Partnerships and Operations, in consultation with the cabinet member responsible for property and shall report back to the cabinet member.'
- 10.5** The Leader, cabinet and cabinet members will take executive decisions about land and property transactions based on written reports from officers.

11. Surplus Property Procedures

What are the procedures which apply when disposing of surplus operational property (excluding Minor Garden Land Disposals)?

A Advance Notification

Where there is potential for any property to become surplus to requirements, the relevant departmental officers will consult with the cabinet member, departmental management team and with the relevant officers in the corporate property team at the earliest possible stage

B Surplus Property Declaration

Where property is no longer required for the purpose for which it was originally acquired or held, or has become unsuitable for purpose or is significantly underused, the responsible controlling head of service will, in consultation with the cabinet member and departmental director, make a recommendation to the Head of Partnerships and Operations to declare the property surplus to requirements.

C Interim Management

Management of property declared surplus to requirements will immediately transfer to the corporate property team.

D Options for re-use

Upon being advised of property being declared surplus, the Head of Partnerships and Operations will inform all Council departments of its availability and a minimum of 14 days will be allowed for them to indicate any requirements for service provision. Ward Councillors will also be notified of impending disposal.

If surplus property is required for service provision and has a value in excess of £250,000, the head of service requiring the property will, following consultation with the cabinet member, Head of Partnerships and Operations and departmental director, prepare a report for consideration by the corporate management team, which will determine whether the property should be retained, or proceed to disposal. If the property has a value less than £250,000 the decision to retain the property or proceed to disposal will be made by the Head of Partnerships and Operations in consultation with the cabinet member responsible for asset management.

E Requirement for Service Provision

If the corporate management team determines that a property will be retained for future service provision, management will transfer to the head of service seeking the property or, in the case of public open space, revert to the original responsible head of service.

F Disposal

If surplus property is not required for service provision, the Head of Partnerships and Operations and/or Assistant Director for Economic Development or other nominee will proceed to make arrangements for its disposal in accordance with the Council's land and property disposal guidelines.

If land declared surplus to requirements is underused public open space or allotments that by virtue of legislation require advertisements and the invitation of objections, an appropriate advertisement will be placed in the local press.

If objections are received in response to an advertisement of intention to dispose of public open space, the Head of Partnerships and Operations and/or Assistant Director for Economic Development will consult with the cabinet member and prepare a report for consideration by the corporate management team to determine whether disposal should proceed.

G Minor Property Interests

Where land being prepared for disposal has a value of less than £200,000 and an area of less than 0.25 hectares, in the case of no alternative use having been put forward, the Head of Partnerships and Operations and/or Assistant Director for Economic Development may declare the property surplus to requirements.

However, the surplus property disposal procedure does not apply to minor garden/amenity land disposals (see policy for disposal of amenity land).

What rules apply when disposing of surplus non operational property (Excluding Minor Garden Land Disposals)?

Non operational property

H Leases Incorporating Options

In all cases where the Council is contractually committed to sell through clauses in existing agreements, the properties will be declared unconditionally surplus to requirements and the appropriately authorised officer will proceed to disposal in accordance with contract requirements.

I Other Income Producing Properties

The Assistant Director for Economic Development may declare property surplus to requirements if the following conditions are met:

- a) The property is an investment property – occupied and let in a non-operational capacity
- b) The property is not required for current or anticipated future service provision

Properties to be sold or let will proceed to disposal in accordance with the Council's land and property disposal guidelines.

J Vacant Investment Property

If investment property is vacant or there is a reasonable likelihood of its becoming vacant and is no longer required for service provision, the Assistant Director for Economic Development will inform other Council departments of its availability for service provision and policies D, F and G above will apply.

K Formal Approvals

Approval Procedures

Decisions reached by the Head of Partnerships and Operations in relation to surplus property declaration and re-use of surplus property will be subject to the approval of the relevant cabinet member for the property service or cabinet where necessary (see Part C).

L Investment properties (including employment land)

Disposal Procedures

Sites and buildings which are held by the Council for economic policy reasons will be deemed to be surplus when disposals are contemplated with the objective of accommodating specific occupiers. In such circumstances, disposal negotiations will be undertaken by private treaty and based on normal market terms.
