

PLYMOUTH CITY COUNCIL

External Audit Progress Report

March 2016

INTRODUCTION

This report is intended to provide the Audit Committee with an update of our audit work for 2015/16.

Auditors' principal objectives are to review and report on, to the extent required by the relevant legislation and the requirements of the Code of Audit Practice for Local Government, the audited body's:

- financial statements
- arrangements for securing economy, efficiency and effectiveness in its use of resources.

We are also required to certify specified grant claims and returns as directed by Public Sector Audit Appointments Ltd.

We will assess whether the arrangements put in place by the Council will allow us to complete our work by the expected deadlines and whether there are any issues that are likely to have a significant impact on our ability to provide unmodified audit reports and opinions.

This will be included as a "RAG" assessment in the report. We have yet to perform any substantive work at the Council and therefore the green rating against each area is an initial assumption that will need to be confirmed as part of our interim work.

ASSESSMENT		EXPLANATION
RED		Unlikely to be able to meet reporting deadlines, significant concerns over governance or finance, or expected modification of audit report or opinion.
AMBER		Some concerns around meeting reporting deadlines, some concerns over governance or finance, or potential risk of modification of audit report or opinion.
GREEN		On target to meet deadlines and no current concerns over governance or finance.

We have also included for your information references to recent publications and emerging issues relating to local government as an attachment to this report.
