Purpose of the report:

Plymouth City Council and its partners are committed to the vision to be 'one of Europe's most vibrant waterfront cities where an outstanding quality of life is enjoyed by everyone'.

This draft Corporate Plan 2016-19 sets out the new administration's vision for the next three years - as one team serving our city. Building on the successes and momentum gained over recent years we will continue to drive vital work supporting growth, the integration of health and social care and transformation of the Council while raising the regional and national profile of the city.

Now recognised by 91% of its staff, the Plan retains the values which inform the way that the Council goes about its business. The simplicity of the Plan on a Page format has also been retained following local and national praise for its ability to convey a large amount of information and ambition in an easy to read way.

Through a set of themes based around Pioneering, Growing, Caring and Confident, the draft Corporate Plan 2016-19 proposes how we will deliver competent, community based Council public services to the people of Plymouth.

Supported through the Medium Term Financial Strategy and departmental business plans, this draft Plan reinforces the Council's commitment to working with its partners to meet the needs of the city and its citizens.

This draft Corporate Plan is also accompanied by a proposed performance framework that outlines how the draft Plan will be delivered through a series of outcomes and priority activities. This will enable regular updates to be provided to Cabinet, and Full Council, regarding the progress being made, but is also part of our value led approach to performance management which embeds a 'golden thread' of responsibility and accountability down to individual level.

Appended to this report are the following documents:

- The draft Corporate Plan 2016-19 – Plan on a Page
- The draft Corporate Plan Performance Framework

The Brilliant Co-operative Council Corporate Plan 2013/14 -2016/17:

The draft Corporate Plan 2016-19 is proposed to replace the previous Corporate Plan 2013- 2016 (update published September 2015). The draft Plan updates the Council's direction in light of continuing budget challenges and the need to transform its services to meet needs.

It connects the Council to the city priorities outlined in the Plymouth Plan – the single strategic plan for the city; and will be cascaded into business plans and ultimately individual appraisal objectives. This report proposes the adoption of a draft Corporate Plan committing the Council to the values, vision and themes presented, and these are supported by a simplified and outcome focused draft performance framework.

Implications for Medium Term Financial Plan and Resource Implications: Including finance, human, IT and land:

The Medium Term Financial Strategy is a core component of the Council's strategic framework and has a vital role to play in translating the Council's ambition and priorities set out in the Corporate Plan and the city's ambition in the Plymouth Plan, into action.

The current Medium Term Financial Strategy focuses on taking a view to 2019/20 of the range of major issues affecting the resources of Plymouth City Council.

Changes made in the draft Corporate Plan 2016-19 will be reflected in the Medium Term Financial Strategy.

Other Implications: e.g. Child Poverty, Community Safety, Health and Safety and Risk Management:

The draft Corporate Plan complements the Council's existing policy framework with respect to the above.

Equality and Diversity:

Has an Equality Impact Assessment been undertaken? No

Where potential equality and diversity implications are identified from the implementation of any new activities arising from the Corporate Plan, assessments will be undertaken in line with the Council's policies.

Recommendations and Reasons for recommended action:

It is recommended that the Wellbeing Overview and Scrutiny Committee reviews the draft Corporate Plan with regard to its terms of reference and makes recommendations to Cabinet for adoption.

Alternative options considered and rejected:

Failure to revise the Corporate Plan 2013-2016 would result in a reduced forward direction for the council and would not reflect the new administration's priorities.
