

EQUALITY IMPACT ASSESSMENT

Eggbuckland Library (as part of the proposed Plan for Libraries)

STAGE I: WHAT IS BEING ASSESSED AND BY WHOM?

What is being assessed - including a brief description of aims and objectives?

EGGBUCKLAND LIBRARY

Eggbuckland Library and the services that run from it are being assessed in this EIA. As part of the Plan for Libraries proposal, **Eggbuckland Library has been earmarked for closure.**

Eggbuckland Library has 61 active users which is 0.1% of the total active library users

The aims of the Pfl proposal are to deliver five universal offers (in line with Society of Chief Librarians and Libraries Taskforce). These are Reading, Information, Digital, Health and Learning. These will be delivered through our objectives:

- Our online offer is accessible 24 hours a day, 365 days a year and provides an online library catalogue, eBooks, audiobooks and magazines plus a range of premium online resources
- Our library buildings will be fit for purpose and include meeting spaces so we are able to offer a full range of services based around the offers of Reading and Literacy, Information and History, Digital, Health and Wellbeing and Learning. They will be clean, modern and welcoming and run by friendly and trained staff
- Our outreach offer will increase. Investment in technology will mean we are able to take the library into communities, providing a pop up library with click and collect activities and services. This will include our Home library Service for housebound users. The Home Library Service is for Plymouth residents who want to borrow books and audiobooks but who are unable to get to a library; either through ill health, injury or disability. This free service allows access to the library and books as well as a regular visit from a friendly face.

Rationale for proposed closure

Our clearly defined 'in-library offer' means that some of our buildings may not be fit for purpose and have little or no scope for enhancement or opportunities to increase the footfall. In order to deliver a sustainable modern library service it is important that we assess our existing offer against a range of factors and comparators and have regard to an acceptable level of coverage across the city.

In respect of coverage we aligned ourselves to the four geographical areas (localities) as defined by one of our key

partners Livewell Southwest.

Using existing best practice each of our libraries has been assessed against the following criteria:

- Proportion of population in ward aged 0-17
- Proportion of population in ward aged over 60
- Total transactions (book issues)
- Indices of Multiple Deprivation (IMD) score 2015. IMD is a measure to show deprivation across the country, using a variety of measures (for example barriers to housing, or local area crime), rather than just traditional poverty measures.
- Total visits
- Cost per visit
- Computer Hours used
- Total event attendance
- Suitability and sustainability of building (ability to deliver our new offer)

All criteria had an equal weighting, and each library was ranked 1 to 17 against each criteria. With 17 being the lowest value scoring. Eggbuckland ranked number 15 out of 17 libraries.

Opening hours

- Monday: 3pm to 6pm
- Tuesday: Closed

Events

No regular events are held at this library

Commitment has been made in Plan for Libraries proposal that the activities and services which currently run from the Library will be replaced by the in library offer at an alternative location, on-line offer and the outreach offer.

Proposed alternative venues for library outreach services in the event of library closure have been explored in the local area.

- St Edward's Church
- Activate, Eggbuckland School

The preferred venue is St Edward's Church

Alternative nearest library: Crownhill

Services that can assist with consequences of proposed closures - note that there are 61 active users.

Public access PC's - Anyone in training or an apprenticeship for over 10 weeks is entitled to 15% discount on bus fares (the 'Get On' scheme). However there is likely to be a financial impact and in respect of time and convenience for other users who access public access PC's in a library proposed to close.

Access Plymouth operate two services:

1. Community car scheme - Community Car is a not for profit car sharing scheme to help people with mobility problems get around Plymouth. Volunteer drivers, using their own vehicles, can take you to the shops hairdressers, doctors, dentist, lunch clubs, day centres, hospital visits or practically anywhere else you need to go in Plymouth. Their first pickups are at 9:00 (although this is our busiest period and can be oversubscribed) through until 4:30. Phone 01752 600633 to book. All bookings should be made no later than one and no more than seven working days before you need to travel. You do not pay the driver as we will invoice you monthly. To use this service you need to register over the phone which takes about ten minutes. Your trips will be charged at £1.20 per mile.

2. Dial a Ride is a door to door transport service for anywhere within Plymouth for elderly and disabled residents.

The service is available to Plymouth residents who are eligible for a concessionary bus pass, but struggle to access the bus service - this may be due to the distance they operate from your home, physical difficulties in boarding the bus or there is simply not a bus to where you want to go.

The Dial A Ride provides a door to door service between any two points anywhere within the Plymouth city boundary, with dedicated drivers who can help passengers on and off the bus and to and from your front door. The service

	<p>operates on Mondays to Fridays except Bank Holidays and the Christmas Period from 9-15 am until 4.15 pm and can be booked up to a week in advance, but no later than the day before you wish to travel. All bookings must be made before 2pm.</p> <p>Our buses also have a space for one wheelchair. All wheelchairs must be checked by our drivers and this needs to be done the first time you travel, so it is best to add some extra time to your first journey. Customers who travel in a wheelchair should normally travel with someone to assist them as the drivers can only take a chair as far as the front door. All assistants travel for free.</p> <p>The following fares apply to this service:</p> <p>£4 - Up to 2 miles return (2 miles there and 2 miles back)</p> <p>£6 - 2-4 miles return (2-4 miles there and 2-4 miles back)</p> <p>£9 - 4-8 miles return (4-8 miles there and 4-8 miles back)</p> <p>Any journeys over 8 miles return will be charged at £10.</p> <p>All fares are for a one way trip with the return free.</p> <p>These are alternative services for people who have difficulty accessing public transport – however this is a more expensive option than public transport</p>

					<p>The representation of the 16-64 age groups is significantly greater than the city average. This area houses the city's largest university and student accommodation is abundant which will partly account in for this variance. STAGE 3: ARE THERE ANY IMPLICATIONS FOR THE FOLLOWING? IF SO, PLEASE RECORD ACTIONS TO BE TAKEN

Local priorities	Implications	Timescale and who is responsible
Reduce the gap in average hourly pay between men and women by 2020.	No negative impact on wage levels is anticipated from the implementation of the Plan for Libraries. Library staff will continue to be considered by corporate policies aimed at reducing the gap in average hourly pay between men and women.	N/A

<p>Increase the number of hate crime incidents reported and maintain good satisfaction rates in dealing with racist, disablist, homophobic, transphobic and faith, religion and belief incidents by 2020.</p>	<p>Library staff in all tier 1 libraries will be trained to take Hate incident reports.</p> <p>Residents are able to report hate crime incidents on the www.plymouth.gov.uk website.</p>	<p>N/A</p>
<p>Good relations between different communities (community cohesion)</p>	<p>The headline rate of Community Cohesion in Eggbuckland Ward is 96%; this is 20% above the citywide average and 7% above the national average. The library makes some contribution to providing community space. There are local community alternatives, but there could be a temporary impact on the community between the library closing and alternative community spaces being established. These alternatives may be more attractive to older people who didn't feel comfortable using the library which was located in the school campus. The library will continue to stay open for school users</p>	<p>N/A</p>
<p>Human rights Please refer to guidance</p>	<p>The Council is required to act in a way which is compatible with the rights granted under the European Convention of Human Rights.</p> <p>The Council also has a duty under section 7 of the Public Libraries and Museums Act 1964 to provide a comprehensive and efficient service for all persons desiring to make use thereof.</p> <p>Due to the closure to the public (but not the school) of Eggbuckland Library, members of the public will not be able to make use of this facility. However, due to the provision of outreach within the local area, proximity of nearby libraries and the continuing provision of both online and Home library services, there will continue to be a provision of the library service available to the community.</p> <p>This provision will continue to reduce the potential risk of social isolation for elderly or vulnerable members of the public.</p>	<p>N/A</p>
