57. **Minutes**

Agreed to confirm the minutes of 19 October 2017 as an accurate record.

58. **Questions from the public**

There were no questions from members of the public.

59. **Future of Primary Care Services**

Following a presentation from Julia Cory representing NHS England, a wide-ranging discussion took place on the future of Primary Care Services.

The Board agreed –

1. That members of the Board should review the GP Forward View document and consider what more their organisations could do to build effective relationships between primary care and wider local services;
2. Through the Plymouth Plan, that the Board will encourage action to develop and strengthen relationships with general practice services in local areas, in order to generate benefits for the whole system;
3. That the Board will capture and co-ordinate current activity regarding organisational lobbying (such as funding formula/powers/innovation) and ensure it is contained within the Plymouth Ask and shared with all Board members;
4. Request that NHS England and the CCG, at future date, provide a report to the Board which describes how the Western Locality is working with Primary Care toward greater integration, specifics on NHS England spend in Plymouth and options to co-commission primary care as part of integrated fund.

60. **Plymouth and South West Devon Joint Local Plan**

The Board received an update on the development of the Joint Local Plan.

Agreed to note the report.

61. **Plymouth Report (Health Chapter / JSNA)**

The Board received a report on the development of the Plymouth Report, in particular the Healthy City Chapter (JSNA).

Agreed to note the report and receive the full Plymouth Report at the next meeting.

62. **Health Protection Annual Report**

The Board received a presentation on the Health Protection Annual Report.

Agreed to note the report.

63. **Integrated Commissioning Scorecard**

The Board received the integrated commissioning scorecard.

The Board agreed to welcome the scorecard, narrative and approach of reporting by exception.

64. **Work Programme**

Board members were invited to forward items to populate the work programme. It was agreed to add the following items –

- Pharmacy
- Full Plymouth Report
