		process will be undertaken with Plymouth and District Access Network (PADAN) to ensure that at the earliest stage possible any special requirements or risks can be highlighted.		
Faith, Religion or Belief	 84,326 (32.9 per cent) of the Plymouth population stated they had no religion. Those with a Hindu, Buddhist, Jewish or Sikh religion combined totalled less than 1 per cent. Christianity: 148,917 people (58.1 per cent), decreased from 73.6 per cent since 2001. Islam: 2,078 people (0.8 per cent), doubled from 0.4 per cent since 2001. Buddhism: 881 people (0.3 per cent), 	The proposed policy will include a requirement to consider the impact on places of worship during any design or request stage. The consultation will ensure that a formal Highway Impact Assessment is made to take into account any recognised place of worship in an area impacted by the consideration for a Controlled Parking Zone	None	None

STAGE 2: Evidence and Impact				
Protected Characteristics (Equality Act)	Evidence and information (e.g. data and feedback)	Any adverse impact?	Actions	Timescale and who is responsible?
	 increased from 0.2 per cent since 2001. Hinduism: 567 people (0.2 per cent) described their religion as Hindu, increased from 0.1 per cent since 2001. Judaism: 168 people (0.1 per cent), decreased from 181 people since 2001. Sikhism: 89 people (less than 0.1 per cent), increased from 56 people since 2001. 0.5 per cent of the population had a current religion that was not Christianity, Islam, Buddhism, Hinduism, Judaism or Spiritualism. 			
Gender - including marriage, pregnancy and maternity	There is no discernible impact based on gender,	None	None	None
Gender Reassignment	None	None	None	None
