 - include arrangements for avoiding conflicts of interest if internal audit undertakes non-audit activities.
4. The Audit Strategy:
 - is a high-level statement of how the internal audit service will be delivered and developed in accordance with the Charter and how it links to the organisational objectives and priorities;
 - will communicate the contribution that Internal Audit makes to the organisation and should include:
 - internal audit objectives and outcomes;
 - how the Head of Devon Audit Partnership will form and evidence his opinion on the governance, risk and control framework to support the Annual Governance Statement;

PLYMOUTH CITY COUNCIL

INTERNAL AUDIT CHARTER (March 2018)

MISSION

The Mission of Devon Audit Partnership is to enhance and protect organisational value by providing risk based and objective assurance, advice and insight across its partners.

TERMS OF REFERENCE

This Charter formally describes the purpose, authority, and principal responsibilities of the Council's Internal Audit Service, which is provided by the Devon Audit Partnership (DAP), and the scope of Internal Audit work. This Charter complies with the mandatory requirements of the Public Sector Internal Audit Standards.

DEFINITIONS

Internal auditing is defined by the Public Sector Internal Audit Standards (PSIAS) as "an independent, objective assurance and consulting activity designed to add value and improve an organisation's operations. It helps an organisation accomplish its objectives by bringing a systematic, disciplined approach to evaluate and improve the effectiveness of risk management, control and governance processes".

The PSIAS set out the requirements of a 'Board' and of 'senior management'. For the purposes of the internal audit activity within The Council the role of the Board within the Standards is taken by the Council's Audit Committee and senior management is the Council's Corporate Leadership Team.

The PSIAS make reference to the role of "Chief Audit Executive". For The Council this role is fulfilled by the Head of Devon Audit Partnership (HoDAP).

STATUTORY REQUIREMENTS

Internal Audit is a statutory service in the context of The Accounts and Audit (England) Regulations 2015, which state:

5.—(1) A relevant authority must undertake an effective internal audit to evaluate the effectiveness of its risk management, control and governance processes, taking into account public sector internal auditing standards or guidance.

In addition, the Local Government Act 1972, Section 151, requires every local authority to designate an officer to be responsible for the proper administration of its financial affairs. In The Council, Interim Joint Strategic Director Transformation & Change - Finance is the 'Section 151 Officer'. One of the ways in which this duty is discharged is by maintaining an adequate and effective internal audit service.

THE PURPOSE AND AIM OF INTERNAL AUDIT

The role of Internal Audit is to understand the key risks of the Council; to examine and evaluate the adequacy and effectiveness of the system of risk management and the entire control environment as operated throughout the organisation and contribute to the proper, economic, efficient and effective use of resources. In addition, the other objectives of the function are to:

- support the Section 151 Officer to discharge his / her statutory duties
- contribute to and support the Finance function in ensuring the provision of, and promoting the need for, sound financial systems
- support the corporate efficiency and resource management processes by conducting value for money and efficiency studies and supporting the work of corporate working groups as appropriate
- provide a quality fraud investigation service which safeguards public monies.

The existence of Internal Audit does not diminish the responsibility of management to establish systems of internal control to ensure that activities are conducted in a secure, efficient and well-ordered manner.

Internal Audit for The Council is provided by Devon Audit Partnership. We aim to provide a high quality, professional, effective and efficient Internal Audit Service to the Members, service areas and units of The Council, adding value whenever possible.

PROFESSIONALISM, ETHICS AND INDEPENDENCE

Being Professional

We (Devon Audit Partnership) will adhere to the relevant codes and guidance. In particular, we adhere to the Institute of Internal Auditors' (IIA's) mandatory guidance including the Definition of Internal Auditing, the Code of Ethics, and the Public Sector Internal Audit Standards. This mandatory guidance constitutes principles of the fundamental requirements for the professional practice of internal auditing within the public sector and for evaluating the effectiveness of Internal Audit's performance. The IIA's Practice Advisories, Practice Guides, and Position Papers will also be adhered to as applicable to guide operations. In addition, Internal Audit will adhere to The Council's relevant policies and procedures and the internal audit manual.

Internal Auditors must apply the care and skill expected of a reasonably prudent and competent internal auditor. Due professional care does not, however, imply infallibility.

Our Ethics

Internal auditors in UK public sector organisations must conform to the Code of Ethics as set out by The Institute of Internal Auditor's. This Code of Ethics promotes an ethical culture in the profession of internal auditing. If individual internal auditors have membership of another professional body then he or she must also comply with the relevant requirements of that organisation.

The Code of Ethics extends beyond the definition of internal auditing to include two essential components:

1. Principles that are relevant to the profession and practice of internal auditing;
2. Rules of Conduct that describe behaviour norms expected of internal auditors.

The Code of Ethics provides guidance to internal auditors serving others, and applies to both individuals and entities that provide internal auditing services.

The Code of Ethics promotes an ethical, professional culture. It does not supersede or replace Codes of Ethics of employing organisations. Internal auditors must also have regard to the Committee on Standards of Public Life's Seven Principles of Public Life.

Being Independent

Internal Audit should be independent of the activities that it audits.

The status of Internal Audit should enable it to function effectively. The support of the Council is essential and recognition of the independence of Internal Audit is fundamental to its effectiveness.

The Head of Devon Audit Partnership should have direct access to and freedom to report in his or her own name and without fear or favour to, all officers and members and particularly to those charged with governance (the Audit Committee). In the event of the necessity arising, the facility also exists for Internal Audit to have direct access to the Chief Executive, the S.151 Officer and the Chair of the Audit Committee.

The Council should make arrangements for Internal Audit to have adequate budgetary resources to maintain organisational independence.

The Head of Devon Audit Partnership should have sufficient status to facilitate the effective discussion of audit strategies, audit plans, audit reports and action plans with senior management and members of the Council.

Auditors should be mindful of being independent. They;

- Must have an objective attitude of mind and be in a sufficiently independent position to be able to exercise judgment, express opinions and present recommendations with impartiality;
- Notwithstanding employment by the Partnership / Council, must be free from any conflict of interest arising from any professional or personal relationships or from any pecuniary or other interests in an activity or organisation which is subject to audit;
- Must be free from undue influences which either restrict or modify the scope or conduct of their work or significantly affect judgment as to the content of the internal audit report; and
- Must not allow their objectivity to be impaired by auditing an activity for which they have or have had responsibility.

AUTHORITY

Internal Audit, with strict accountability for confidentiality and safeguarding records and information, is authorised full, free, and unrestricted access to any and all of the organisation's records, physical properties, and personnel pertinent to carrying out any engagement.

All employees are requested to assist Internal Audit in fulfilling its roles and responsibilities. This is enforced in the Accounts and Audit (England) Regulations 2015 section 5(2-3) that state that:

Any officer or member of a relevant authority must, if required to do so for the purposes of the internal audit—

- (2) (a) make available such documents and records; and

- (b) supply such information and explanations; as are considered necessary by those conducting the internal audit.
- (3) In this regulation “documents and records” includes information recorded in an electronic form.

In addition, Internal Audit, through the HoDAP, where deemed necessary, will have unrestricted access to:

- the Chief Executive
- Members
- individual Heads of Service
- Section 151 Officer
- Monitoring Officer
- all authority employees
- all authority premises.

ACCOUNTABILITY

Devon Audit Partnership is a shared service established and managed via a Partnership Committee and Board with representation from each of the founding partners. The Partnership operates as a separate entity from the client authorities and Internal Audit is therefore independent of the activities which it audits. This ensures unbiased judgements essential to proper conduct and the provision of impartial advice to management. Devon Audit Partnership operates within a framework that allows the following:

- unrestricted access to senior management and members
- reporting in its own name
- separation from line operations

Every effort will be made to preserve objectivity by ensuring that all audit members of audit staff are free from any conflicts of interest and do not, ordinarily, undertake any non-audit duties.

The Head of Devon Audit Partnership fulfils the role of Chief Audit Executive at the Authority and will confirm to the Audit Committee, at least annually, the organisational independence of the internal audit activity.

The Interim Joint Strategic Director Transformation & Change - Finance ‘Section 151 Officer’ will liaise with the Head of Devon Audit Partnership and is therefore responsible for monitoring performance and ensuring independence.

Internal Auditors must exhibit the highest level of professional objectivity in gathering, evaluating, and communicating information about the activity or process being examined. Internal Auditors must make a balanced assessment of all the relevant circumstances and not be unduly influenced by their own interests or by others in forming judgments.

The Head of Devon Audit Partnership reports functionally to the Audit Committee on items such as:

- approving the internal audit charter;
- approving the risk based internal audit plan;
- receiving reports from the Head of Devon Audit Partnership on the section’s performance against the plan and other matters;
- approving the Head of Devon Audit Partnership’s annual report’
- approve the review of the effectiveness of the system of internal audit.

The HoDAP has direct access to the Chair of Audit Committee and has the opportunity to meet with the Audit Committee in private.

RESPONSIBILITIES

The Chief Executive, Service Directors and other senior officers are responsible for ensuring that internal control arrangements are sufficient to address the risks facing their services.

The Head of Devon Audit Partnership will provide assurance to the Interim Joint Strategic Director Transformation & Change - Finance 'Section 151 Officer' regarding the adequacy and effectiveness of the Council's financial framework, helping meet obligations under the LGA 1972 Section 151.

The HoDAP will provide assurance to the Monitoring Officer in relation to the adequacy and effectiveness of the systems of governance within the Council helping him/her meet his/her obligations under the Local Government and Housing Act 1989 and the Council's Constitution. The HoDAP will also work with the Monitoring Officer to ensure the effective implementation of the Council's Whistleblowing Policy.

Internal Audit responsibilities include but are not limited to:

- examining and evaluating the soundness, adequacy and application of the Council's systems of internal control, risk management and corporate governance arrangements;
- reviewing the reliability and integrity of financial and operating information and the means used to identify, measure, classify and report such information;
- reviewing the systems established to ensure compliance with those policies, plans, procedures and regulations which could have a significant impact on operations;
- reviewing the means of safeguarding assets and, as appropriate, verifying the existence of such assets;
- investigating alleged fraud and other irregularities referred to the service by management, or concerns of fraud or other irregularities arising from audits, where it is considered that an independent investigation cannot be carried out by management;
- appraising the economy, efficiency and effectiveness with which resources are employed and the quality of performance in carrying out assigned duties including Value for Money Studies;
- working in partnership with other bodies to secure robust internal controls that protect the Council's interests;
- advising on internal control implications of new systems;
- providing consulting and advisory services related to governance, risk management and control as appropriate for the organisation;
- being responsible for reporting significant risk exposures and control issues identified to the Audit Committee and to senior management, including fraud risks, governance issues.

INTERNAL AUDIT MANAGEMENT

The PSIAS describe the requirement for the management of the internal audit function. This sets out various criteria that the HoDAP (as Chief Audit Executive) must meet, and includes:

- be appropriately qualified;
- determine the priorities of, deliver and manage the Council's internal audit service through a risk based annual audit plan;
- regularly liaise with the Council's external auditors to ensure that scarce audit resources are used effectively;
- include in the plan the approach to using other sources of assurance if appropriate;
- be accountable, report and build a relationship with the Council's Audit Committee and S.151 Officer; and

- monitor and report upon the effectiveness of the service delivered and compliance with professional and ethical standards.

These criteria are brought together in an Audit Strategy which explains how the service will be delivered and reflect the resources and skills required.

The Head of Devon Audit Partnership is required to give an annual audit opinion on the governance, risk and control framework based on the audit work done.

The HoDAP should also have the opportunity for free and unfettered access to the Chief Executive and meet periodically with the Monitoring Officer and S.151 Officer to discuss issues that may impact on the Council's governance, risk and control framework and agree any action required.

INTERNAL AUDIT PLAN AND RESOURCES

At least annually, the Head of Devon Audit Partnership will submit to the Audit Committee a risk-based internal audit plan for review and approval. The HoDAP will:

- develop, in consultation with Heads of Service, an annual audit plan based on an understanding of the significant risks to which the organisation is exposed;
- submit the plan to the Audit Committee for review and agreement;
- implement the agreed audit plan;
- maintain a professional audit staff with sufficient knowledge, skills and experience to carry out the plan and carry out continuous review of the development and training needs;
- maintain a programme of quality assurance and a culture of continuous improvement;

The internal audit plan will include timings as well as budget and resource requirements for the next fiscal year. The Head of Internal Audit will communicate the impact of resource limitations and significant interim changes to senior management and the Audit Committee.

Internal Audit resources must be appropriately targeted by assessing the risk, materiality and dependency of the Council's systems and processes. Any significant deviation from the approved Internal Audit plan will be communicated through the periodic activity reporting process.

It is a requirement of the Council's Anti-Fraud and Corruption Strategy that the Head of Devon Audit Partnership be notified of all suspected or detected fraud, corruption or impropriety. All reported irregularities will be investigated in line with established strategies and policies. The audit plan will also include sufficient resource to carry out proactive anti-fraud work.

Internal Audit activities will be conducted in accordance with Council strategic objectives and established policies and procedures.

Monitoring of Internal Audit's processes is carried out on a continuous basis by Internal Audit management, and the Council's members and management may rely on the professional expertise of the Head of the Devon Audit Partnership to provide assurance. From time to time, independent review is carried out: for example, through peer reviews; ensuring compliance with the PSIAS is an essential approach to such a review.

REPORTING

The primary purpose of Internal Audit reporting is to communicate to management within the organisation information that provides an independent and objective opinion on governance, the control environment and risk exposure and to prompt management to implement agreed actions.

Internal Audit should have direct access and freedom to report in their own name and without fear or favour to, all officers and members, particularly to those charged with governance (the Audit Committee).

A written report will be prepared for every internal audit project and issued to the appropriate manager accountable for the activities under review. Reports will include an 'opinion' on the risk and adequacy of controls in the area that has been audited, which, together, will form the basis of the annual audit opinion on the overall control environment.

The aim of every Internal Audit report should be:

- to give an opinion on the risk and controls of the area under review, building up to the annual opinion on the control environment; and
- to recommend and agree actions for change leading to improvement in governance, risk management, the control environment and performance.

The Manager will be asked to respond to the report in writing, within 30 days, although this period can be extended by agreement. The written response must show what actions have been taken or are planned in relation to each risk or control weakness identified. If action is not to be taken this must also be stated. The Head of Devon Audit Partnership is responsible for assessing whether the manager's response is adequate.

Where deemed necessary, the Internal Audit report will be subject to a follow-up, normally within six months of its issue, in order to ascertain whether the action stated by management in their response to the report has been implemented.

The Head of the Devon Audit Partnership will

- submit periodic reports to the Audit Committee summarising key findings of reviews and the results of follow-ups undertaken;
- submit on an annual basis an Annual Internal Audit Report to the Audit Committee, incorporating an opinion on the Council's control environment, which will also inform the Annual Governance Statement.

RELATIONSHIP WITH THE AUDIT COMMITTEE

The Council's Audit Committee will act as the Board as defined in the Public Sector Internal Audit Standards (PSIAS),

The Specific Functions of the Audit Committee are set out in the Council's Constitution (Part 3 Responsibility for Functions).

The Head of Devon Audit Partnership will assist the Committee in being effective and in meeting its obligations. To facilitate this, the HoDAP will:

- attend meetings, and contribute to the agenda;
- ensure that it receives, and understands, documents that describe how Internal Audit will fulfil its objectives (e.g. the Audit Strategy, annual work programmes, progress reports);
- report the outcomes of internal audit work, in sufficient detail to allow the committee to understand what assurance it can take from that work and/or what unresolved risks or issues it needs to address;
- establish if anything arising from the work of the committee requires consideration of changes to the audit plan, and vice versa;

- present an annual report on the effectiveness of the system of internal audit; and
- present an annual internal audit report including an overall opinion on the governance, risk and control framework

QUALITY ASSURANCE AND IMPROVEMENT PROGRAMME

The PSIAS states that a quality assurance and improvement programme must be developed; the programme should be informed by both internal and external assessments.

An external assessment must be conducted at least once in five years by a suitably qualified, independent assessor.

In December 2016 Terry Barnett, Head of Assurance for Hertfordshire Shared Internal Audit Service who completed an external validation of the Partnership. Terry concluded that;

“It is our overall opinion that the Devon Audit Partnership **generally conforms*** to the Public Sector Internal Audit Standards, including the Definition of Internal Auditing, the Code of Ethics and the Standards.

*** Generally Conforms** – This is the top rating and means that the internal audit service has a charter, policies and processes that are judged to be in conformance to the Standards

CHARTER – NON CONFORMANCE AND REVIEW

Any instances of non conformance with the Internal Audit Definition, Code of Conduct or the Standards must be reported to the Audit Committee, and in significant cases consideration given to inclusion in the Annual Governance Statement.

The Head of Devon Audit Partnership will advise the Audit Committee on behalf of the Council on the content of the Charter and the need for any subsequent amendment. The Charter should be approved and regularly reviewed by the Audit Committee.

PLYMOUTH CITY COUNCIL

INTERNAL AUDIT STRATEGY (March 2018)

1 INTRODUCTION

Internal Audit is a statutory service in the context of The Accounts and Audit (England) Regulations 2015, which state:

5.—(1) A relevant authority must undertake an effective internal audit to evaluate the effectiveness of its risk management, control and governance processes, taking into account public sector internal auditing standards (PSIAS) or guidance.

In addition, the Local Government Act 1972, Section 151, requires every local authority to designate an officer to be responsible for the proper administration of its financial affairs. In The Council, the Interim Joint Strategic Director Transformation & Change - Finance is the 'Section 151 Officer'. One of the ways in which this duty is discharged is by maintaining an adequate and effective internal audit service.

The PSIAS refers to the role of Chief Internal Auditor, and requires this officer to ensure and deliver a number of key elements to support the internal audit arrangements. For The Council, the role of Chief Internal Auditor is provided by the Head of Devon Audit Partnership.

The PSIAS require the Head of Devon Audit Partnership to produce an Audit Strategy, which:

- is a high-level statement of how the internal audit service will be delivered and developed in accordance with the Charter and how it links to the organisational objectives and priorities;
- will communicate the contribution that Internal Audit makes to the organisation and should include:
 - internal audit objectives and outcomes;
 - how the Head of Devon Audit Partnership will form and evidence his opinion on the governance, risk and control framework to support the Annual Governance Statement;
 - how Internal Audit's work will identify and address significant local and national issues and risks;
 - how the service will be provided, and
 - the resources and skills required to deliver the Strategy.
- should be approved, but not directed, by the Audit Committee.

The Strategy should be kept up to date with the organisation and its changing priorities.

2 INTERNAL AUDIT OBJECTIVES AND OUTCOMES

The primary objective of Internal Audit is to provide an independent and objective opinion to the Council on the governance, risk and control framework by evaluating its effectiveness in achieving the organisation's objectives through examining, evaluating and reporting on their adequacy as a contribution to the proper, economic, efficient use of resources.

To achieve this primary objective, the Head of Devon Audit Partnership aims to fulfil the statutory responsibilities for Internal Audit by:

- identifying all of the systems, both financial and non-financial, that form the Council's control environment and governance framework, and contribute to it meeting its obligations and objectives – the 'Audit Universe';
- creating an audit plan providing audit coverage on the higher risk areas in the Audit Universe;
- undertaking individual audit reviews, to the standards set by the PSIAS, to independently evaluate the effectiveness of internal control;
- providing managers with an opinion on, and recommendations to improve, the effectiveness of risk management, control and governance processes;
- providing managers with advice and consultancy on risk management, control and governance processes;
- liaising with the Council's external auditors to ensure efficient use of scarce audit resources through the avoidance of duplication wherever possible; and
- providing the Council, through the Audit Committee, with an opinion on governance, risk and control framework as a contribution to the Annual Governance Statement.

3 OPINION ON THE GOVERNANCE, RISK AND CONTROL FRAMEWORK

As stated above, one of the key objectives of Internal Audit is to communicate to management an independent and objective opinion on the governance, risk and control framework, and to prompt management to implement agreed actions.

Significant issues and risks are to be brought to the attention of the S.151 Officer as and when they arise. Regular formal meetings should also be held to discuss issues arising and other matters.

The Head of Devon Audit Partnership will report progress against the annual audit plan and any emerging issues and risks to the Audit Committee.

The Head of Devon Audit Partnership will also provide a written annual report to the Audit Committee, timed to support their recommendation to approve the Annual Governance Statement, to the Council.

The Head of Devon Audit Partnership's annual report to the Audit Committee will:

- (a) include an opinion on the overall adequacy and effectiveness of the Council's governance, risk and control framework;
- (b) disclose any qualifications to that opinion, together with the reasons for the qualification;
- (c) present a summary of the audit work from which the opinion is derived, including reliance placed on work by other assurance streams;
- (d) draw attention to any issues the Head of Devon Audit Partnership judges particularly relevant to the preparation of the Annual Governance Statement;

- (e) compare the audit work actually undertaken with the work that was planned and summarise the performance of the internal audit function against its performance measures and targets; and
- (f) comment on compliance with the Public Sector Internal Audit Standards and communicate the results of the internal audit quality assurance programme.

4 PLANNING, INCLUDING LOCAL AND NATIONAL ISSUES AND RISKS

The audit planning process includes the creation of and ongoing revision of an “audit universe”. This seeks to identify all risks, systems and processes that may be subject to an internal audit review.

The audit universe will include a risk assessment scoring methodology that takes account of a number of factors including: the Council’s own risk score; value of financial transactions; level of change, impact on the public; political sensitivity; when last audited; and the impact of an audit. This will inform the basis of the resources allocated to each planned audit area.

The results from the audit universe will be used in creating an annual audit plan; such a plan will take account of emerging risks at both local and national level.

Assignment planning

Further planning and risk assessment is required at the commencement of each individual audit assignment to establish the scope of the audit and the level of testing required.

5 PROVISION OF INTERNAL AUDIT

The Internal Audit for The Council is provided by Devon Audit Partnership

The Head of Devon Audit Partnership has established policies and procedures in an Audit Manual to guide staff in performing their duties and complying with the latest available PSIAS guidance. The manual is reviewed and updated to reflect changes in working practices and standards.

Internal Audit Performance Management and Quality Assurance

The PSIAS state that the Head of Devon Audit Partnership should have in place an internal performance management and quality assurance framework; this framework must include:

- a comprehensive set of *targets to measure performance*. These should be regularly monitored and the progress against these targets reported appropriately;
- seeking *user feedback* for each individual audit and periodically for the whole service;
- a periodic review of the service against the Strategy and the achievement of its aims and objectives. The results of this should inform the future Strategy and be reported to the Audit Committee;
- internal quality reviews to be undertaken periodically to ensure compliance with the PSIAS and the Audit Manual (self-assessment); and
- an action plan to implement improvements.

Performance Measures and targets

The Head of Devon Audit Partnership will closely monitor the performance of the team to ensure agreed targets are achieved. A series of performance indicators have been developed for this purpose (please see over).

Internal Audit Performance Monitoring Targets.

Performance Indicator	Full year target
Percentage of Audit Plan completed	90%
Customer Satisfaction - % satisfied or very satisfied as per feedback forms	90%
Draft reports produced with target number of days (currently 15 days)	90%
Final reports produced within target number of days (currently 10 days)	90%

There are a number of other indicators that are measured as part of the audit process that will be captured and reported to senior management.

Task	Performance measure
Agreement of Annual audit plan	Agreed by Chief Executive, CMT and Audit Committee prior to start of financial year
Agreement of assignment brief	Assignment briefs are agreed with and provided to auditee at least two weeks before planned commencement date.
Undertake audit fieldwork	Fieldwork commenced at agreed time
Verbal debrief	Confirm this took place as expected; was a useful summary of the key issues; reflects the findings in the draft report.
Draft report	Promptly issued within 15 days of finishing our fieldwork. Report is "accurate" and recommendations are both workable and useful.
Draft report meeting (if required)	Such a meeting was useful in understanding the audit issues
Annual internal audit report	Prepared promptly and ready for senior management consideration by end of May. Report accurately reflects the key issues identified during the year.
Presentation of internal audit report to management and audit committee.	Presentation was clear and concise. Presented was knowledgeable in subject area and able to answer questions posed by management / members.
Contact with the audit team outside of assignment work.	You were successfully able to contact the person you needed, or our staff directed you correctly to the appropriate person. Emails, letters, telephone calls are dealt with promptly and effectively.

Once collated the indicators will be reported to the S.151 Officer on a regular basis, and will be summarised in an annual report. Performance indicator information will also be presented to the Audit Committee for information and consideration.

The Head of Devon Audit Partnership is expected to ensure that the performance and the effectiveness of the service improves over time, in terms of both the achievement of targets and the quality of the service provided to the user.

Customer (user) feedback

The PSIAS and the Internal Audit Manual state that internal audit performance, quality and effectiveness should be assessed at two levels:

- for each individual audit; and
- for the Internal Audit service as a whole.

Customer feedback is also used to define and refine the audit approach. Devon Audit Partnership will seek feedback from:-

- auditees;
- senior leadership; and
- executive management.

The results from our feedback will be reported to Senior Management and the Audit Committee in the half year and annual reports.

Internal quality reviews

Devon Audit Partnership management have completed a self-assessment checklist against the PSIAS and have identified that there are no omissions in our practices. We consider that we fully meet over 92% of the elements; partially meet 5.5%; and are not required to or do not meet 2% (seven) of the elements. The self-assessment will be updated annually, and, if management identify areas where we could further strengthen our approaches, these will be added to the Quality Action Improvement Plan.

In December 2016 Devon Audit Partnership welcomed Terry Barnett, Head of Assurance for Hertfordshire Shared Internal Audit Service and his colleague Chris Wood, Audit Manager, who completed an external validation of the Partnership.

Terry and Chris concluded that;

“It is our overall opinion that the Devon Audit Partnership **generally conforms*** to the Public Sector Internal Audit Standards, including the Definition of Internal Auditing, the Code of Ethics and the Standards.

* **Generally Conforms** – This is the top rating and means that the internal audit service has a charter, policies and processes that are judged to be in conformance to the Standards

6 RESOURCES AND SKILLS
