30 July 2018
Dear Sirs

Financial statements of Plymouth City Council for the year ended 31 March 2018

We confirm that the following representations given to you in connection with your audit of the Council's financial statements for the year ended 31 March 2018 are made to the best of our knowledge and belief, and after having made appropriate enquiries of other officers and members of the Council.

The Interim Strategic Director for Transformation and Change and Section 151 Officer has fulfilled his responsibilities for the preparation and presentation of the financial statements as set out in the Accounts and Audit Regulations 2015 and Statement of Responsibilities of Auditors and Audited Bodies within Chapter 2 of the Code of Audit Practice published by the National Audit Office in April 2015, and in particular that the financial statements give a true and fair view of the financial position of the Council as of 31 March 2018 and of its income and expenditure and cash flows for the year then ended in accordance with proper practices as set out in the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom (the Code).

We have fulfilled our responsibilities on behalf of the Council, as set out in the Accounts and Audit Regulations 2015, to make arrangements for the proper administration of the Council's financial affairs, to conduct a review at least once in a year of the effectiveness of the system of internal control and approve the Annual Governance Statement, to approve the Statement of Accounts (which include the financial statements), and for making accurate representations to you.

We have provided you with unrestricted access to persons within the entity from whom you determined it necessary to obtain audit evidence. In addition, all the accounting records have been made available to you for the purpose of your audit and all the transactions undertaken by the Council have been properly reflected and recorded in the accounting records. All other records and related information, including minutes of all management and other meetings have been made available to you.

In relation to those laws and regulations which provide the legal framework within which the Council's business is conducted and which are central to our ability to conduct our business, we have disclosed to you all instances of possible non-compliance of which we are aware and all actual or contingent consequences arising from such instances of non-compliance.

There have been no events since the balance sheet date which either require changes to be made to the figures included in the financial statements or to be disclosed by way of a note. Should any material events of this type occur, we will advise you accordingly.

We are responsible for adopting sound accounting policies, designing, implementing and maintaining internal control, to, among other things, help assure the preparation of the financial statements in conformity with generally accepted accounting principles and preventing and detecting fraud and error.

We have considered the risk that the financial statements may be materially misstated due to fraud and have identified no significant risks.

To the best of our knowledge we are not aware of any fraud or suspected fraud involving councillors, management or employees. Additionally, we are not aware of any fraud or suspected fraud involving any other party that could materially affect the financial statements.

To the best of our knowledge we are not aware of any allegations of fraud or suspected fraud affecting the financial statements that have been communicated by employees, former employees, analysts, regulators or any other party.

We note the unadjusted items you identified. We consider the potential and actual differences to be immaterial in the context of the financial statements taken as a whole.

We have disclosed to you the identity of all related parties and all the related party relationships and transactions of which we are aware. We have appropriately accounted for and disclosed such relationships and transactions in accordance with the applicable financial reporting framework.

We confirm that the significant assumptions used in making accounting estimates, including those measured at fair value, are reasonable:

(a) Pension Fund

We confirm that the actuarial assumptions underlying the valuation of the Local Government Pension Scheme (LGPS) scheme liabilities, as applied by the scheme actuary, are reasonable and consistent with our knowledge of the business. These assumptions include:

- Rate of inflation (RPI): 3.3%
- Rate of increase in salaries: 3.8%
- Rate of increase in pensions: 2.3%
- Rate of discounting scheme liabilities: 2.55%

We also confirm that the actuary has applied up-to-date mortality tables for life expectancy of scheme members in calculating scheme liabilities.

(b) Valuation of other land and buildings and investment properties

We are satisfied that the useful economic lives of the other land and buildings and their constituent components, used in the valuation of other land and buildings, and the calculation of the depreciation charge for the year, are reasonable. We confirm that the valuations, including desktop valuations, applied in the year, as provided by the valuer and accounted for

in the financial statements, are reasonable and consistent with our knowledge of the business and are not materially misstated at year end. In particular, we are satisfied that:

- Specialised operational land and buildings where there is no market based evidence of current value are based on rebuild index prices
- Non-specialised operational land and buildings are based on existing use prices.

We are satisfied that investment properties have been appropriately valued at fair value, based on highest and best use.

(c) Allowance for non-collection of receivables

We are satisfied that the impairment allowances for council tax receivables, business rates receivables and housing benefit overpayments are reasonable, based on write-off rates or collection rate data.

(d) NDR Provision

We are satisfied that the provision for NDR is reasonable.

We have no plans or intentions that may materially affect the carrying value and where relevant, the fair value measurement, or classification of assets or liabilities reflected in the financial statements.

We have disclosed all known actual or possible litigation and claims whose effects should be considered when preparing the financial statements and these have been disclosed in accordance with the requirements of accounting standards.

We confirm that the above representations are made on the basis of enquiries of councillors, management and staff with relevant knowledge and experience (and, where appropriate, of inspection of supporting documentation) sufficient to satisfy ourselves that we can properly make each of the above representations to you.

We confirm that the financial statements are free of material misstatements, including omissions.

We acknowledge our legal responsibilities regarding disclosure of information to you as auditors and confirm that so far as we are aware, there is no relevant audit information needed by you in connection with preparing your audit report of which you are unaware. Each director and member has taken all the steps that they ought to have taken as a director or member to make themselves aware of any relevant audit information and to establish that you are aware of that information.

Yours faithfully

Andrew Hardingham
