	Plymouth	2261	10461
	Total	2261	10461

INFO	Statistical disclosure control has been applied to this table to avoid the release of confidential data. Totals may not sum due to the disclosure control applied.		
Symbol	Description		
I	Statistics for the number of people on Universal Credit relate to the second Thursday of each month.		
II	A limited test of the full Universal Credit service was launched in Sutton, South London on 26th November 2014, and has expanded to other areas since. This publication now includes statistics covering both the live and full Universal Credit service. Please see https://www.gov.uk/government/publications/universal-credit-transition-to-full-service for details of the areas in which the full Universal Credit service is operating.		
III	Figures provided for starts show the Jobcentre Plus office recorded at the start of the claim, whereas the figures for the number of people on Universal Credit are representative of the current Jobcentre Plus office that the claimant is attending. It is possible for people to have started on Universal Credit in one office and have moved to another office during their claim, and for this reason, the number of people on Universal Credit can be higher than the starts figure for any particular office, however it is more noticeable when numbers are low.		
IV	".." denotes a nil or negligible number of claimants or award amount based on a nil or negligible number of claimants.		
p	Figures marked "p" are provisional. These figures will be subject to revision in subsequent releases. It is expected that overall provisional figures will be within two per cent of their revised figure in future releases. Figures relating to the employment breakdown will be also be subject to revision.		
r	Figures marked "r" have been revised since the previous release.
