This report links to the delivery of the City and Council objectives and outcomes within the plan.

A Growing City: The Licensing Policy and system aims to provide a balance between the need to protect residents and to enable legitimate businesses to operate within a necessary and proportionate regulatory framework. This in turn makes a safer, more vibrant Plymouth to allow economic growth and opportunities for increased levels of employment.

A Caring Council: The Licensing Policy has put in place an appropriate framework to allow the effective control of alcohol supply and regulated entertainment to keep all members of society protected and feeling safe by focusing on prevention and early intervention. The licensing system minimise the burdens on business and to allow communities the opportunity to influence decisions.

3.0 CONSIDERATIONS

- 3.1 Paragraph 9.31 of the Guidance issued under section 182 of the Licensing Act 2003 and section 18(3)(a) of the act states that a hearing does not have to take place if there are representations but all parties can reach an agreement through a mediation process. When written agreement has been made representations are then withdrawn and the agreed conditions are included within their operating schedule. In such cases officers can determine the application.

- 3.2 The premises listed above are ones that have been dealt with by way of mediation and written agreement for the period between 01 November 2018 until 30 April 2019 and this report is submitted for the information of the committee.
