Relevance to the Corporate Plan and/or the Plymouth Plan

The 100 Pledges and manifesto priorities continue to inform development and delivery of the Corporate Plan and therefore have been adopted by the Council as part of delivery of the Corporate Plan.

Implications for the Medium Term Financial Plan and Resource Implications:

All resource implications have been considered and incorporated within the MTFS and Service Business Plans.

Carbon Footprint (Environmental) Implications:

Pledge completions complement the Council's existing policy framework with respect to the above. However, where potential environmental implications are identified from the implementation of any new activities arising from pledge delivery, assessments will be undertaken in line with the Council's policies.

Pledge 34, Plymouth's National Marine Park, directly supports delivery against the Plymouth Plan Policy Int6: Enhancing Plymouth's 'green city' credentials.

Other Implications: e.g. Health and Safety, Risk Management, Child Poverty:

** When considering these proposals members have a responsibility to ensure they give due regard to the Council's duty to promote equality of opportunity, eliminate unlawful discrimination and promote good relations between people who share protected characteristics under the Equalities Act and those who do not.*

Where potential implications are identified from the implementation of any new activities arising from pledge delivery, assessments will be undertaken in line with the Council's policies.
