EXECUTIVE DECISION

made by a Cabinet Member

REPORT OF ACTION TAKEN UNDER DELEGATED AUTHORITY BY AN INDIVIDUAL CABINET MEMBER

Executive Decision Reference Number - L45 20/21

Dec	ision								
ı	Title of decision: Development of a Plymouth Short Term Care Centre								
2	Decision maker (Cabinet member name and portfolio title): Leader - Cllr Tudor Evans OBE								
3	Report author and contact details: Emma Crowther, Strategic Commissioning Manager, emma.crowther@plymouth.gov.uk								
4	Decision to be taken:								
	It is recommended that the Leader of the Council:								
	Approve the Business Case (Part I and Part II)								
	 Approve the Council entering into a lease of part of the William and Patricia Venton Centre ("the Centre") for use as a Short Term Care Centre ("STCC") on the basis of a 25 year lease on the terms set out in Part II of the Business Case. 								
	Allocate £823,415 into the Capital Programme funded by service borrowing.								
	 Delegate authority to the Strategic Director for People to enter into all construction, care and support, and other relevant contracts in relation to the Centre. 								
5	Reasons for decision: To progress the refurbishment of the Centre into a Short Term Care Centre for Plymouth, as part of the response to the ongoing pressures on the health and social care system.								
	The Short Term Care Centre will allow a more coordinated therapeutic response to people who are being discharged from hospital, with an option for people living in the community to avoid unnecessary hospital admissions.								
The Council will carry out the works to the Centre itself under an agreement for lease and entering into a lease of part of the Centre with Age UK Plymouth.									
6	Alternative options considered and rejected:								
	Leasing part of the Centre following completion of the works by Age UK Plymouth (funded by a loan from the Council)								
	Investment into existing Council owned facility (e.g. Colwill Lodge once vacant)								
	Co-locating the STCC with Super Care Hub								
	Do nothing. Continuing to use a variety of care homes for the Discharge to Assess (D2A) patients discharged from hospital.								
7	Financial implications:								
	The capital costs will be funded by service borrowing
