

Strategic Priorities 2021 – 2024

Our statement : Committed to ensuring improvements in the safeguarding of adults at risk of abuse, neglect or exploitation by Assurance, Challenge, Support and Learning.

Our Principles: Empowerment, prevention, proportionality, protection, partnership, accountability.

Partnerships

Establish effective links with other key strategic partnerships

Promotion of a culture of collective accountability, support and respectful challenge aimed at improved standards

Engagement

Ensure adult safeguarding information is co-produced and communicated appropriately through a range of approaches and formats

Local people with care and support needs and their carers are engaged to provide assurance and feedback on their experience of safeguarding

Our Priorities

Assurance

Leadership focused on personalised practice, a whole system approach across and within organisations.

Continued analysis and assessment of outcomes of multi-agency practice, including intervention where safety and quality is compromised.

Learning

Provide learning activity which demonstrates improvement in the outcome and experience for the person, safeguarding practice and multi-agency working

Support a culture of continuous learning and improvement with access to a wide range of learning disseminated through a range of methods
