Purpose of Report

The Cabinet, at their meeting in June 2021, identified 86 commitments to build back better in Plymouth. 22 of the 86 commitments were delivered within the first 100 days and to date 48 have been delivered. This report provides an overview of the commitments delivered and the progress made on the remaining 38 commitments.

Recommendations and Reasons.

That Cabinet:

1. Agrees and endorses the completion of five commitments in January; 28, 29, 34, 40 and 69.
2. Notes the progress made on the remaining 38 commitments.

Alternative options considered and rejected

Not to produce an update. Without publication of progress, there is a risk of slippage against commitments and a lack of transparency.

Relevance to the Corporate Plan and/or the Plymouth Plan

The commitments set out at Appendix A relate to the revised priorities set out in the Corporate Plan which was adopted by the Council on 14 June 2021

Implications for the Medium Term Financial Plan and Resource Implications:

Most commitments will be delivered from within existing revenue and capital resources. Where there are new resource implications, decisions will be made about allocation of resources in line with the Council's decision making procedures. Where delegated decisions are required in order to implement specific commitments, financial implications will be set out as part of the decision making process in accordance with the Council's constitution.

Carbon Footprint (Environmental) Implications:

Environmental sustainability is a key priority of the new administration, and the waste management, recycling and traffic management commitments are specifically aimed at reducing the city's carbon footprint.

Other Implications: e.g. Health and Safety, Risk Management, Child Poverty:

** When considering these proposals members have a responsibility to ensure they give due regard to the Council's duty to promote equality of opportunity, eliminate unlawful discrimination and promote good relations between people who share protected characteristics under the Equalities Act and those who do not.*

The commitments make specific contributions to community safety, inclusion, community engagement, increased support for the vulnerable and improved educational standards for children and young people.

We have given due regard to our statutory duties under the Equality Act 2010 and the Public Sector Equality Duty.

The commitment to fast track applications to the blue badge scheme, disabled facility grants and parking spaces for those with terminal illness will have a positive impact on people with disabilities. Securing a sustainable funding settlement for Adult Social Care will contribute to better outcomes for people with disabilities and the agenda to empower local people has the potential to contribute to better outcomes for communities sharing protected characteristics.
